# DEDICATION

We, the Seniors of 1957, dedicate this annual to our sponsor, Mr. Theo. Hein. He has strived for worthy results throughout the school year. He has devoted his time and energy to our every endeavor. His wisdom has been our guide. Always an understanding person, he has been continually patient with our struggles. His efforts to mould us into useful citizens more surely confirm the appreciation we want to show him.

Joyce Cody

In 1950 the first annual was published under the name FLAGLER HI-LITES. Only seven short years later we of the Pinea staff are feudin' and fussin' because of other write-ups not being in on time while our own are still lying in notebooks unfinished.

A day hardly passed without our sponsor, Mr. Hein, working his head off with problems that really should have been ours. (Bless his heart)

Photographs! We must not forget them. Oh, the times we had making up our minds about some of them. And the age-old excuse, "I forgot to bring it!" (speaking mainly of the Senior's baby pictures).

As you go through the pages of this, the 1957 Pinea, it is our hope it will renew pleasant memories of incidents, of our faculty, and of good friends.

Congratulations and best wishes to the members of the graduating Class of 1957 on the completion of this most important phase of their education.

"Education teaches us the value of moderation, use of thought, the power of reason, which pitted against impulse and excitement makes all the difference between a wise man and a fool."

# SENIOR CLASS HISTORY

Remember that old saying, "History repeats itself"? It is not entirely true in our case. We made history! After the big leap from elementary to junior high, we finally wiggled our way to high school. Boy . . . we thought it was something to be FRESHMEN! Were we fooled! That Freshman initiation really was something. They dressed us like freaks and after that we were dubbed "Freaky Freshman". At last we not only attended the dances but we got a chance to sponsor part of them. Field day was the one day that everyone attended school and enjoyed every minute of it. No classes.

As "Silly Sophomores" we had Mr. Schaefer for our sponsor as we did in our Freshman year. In trying to raise some money, an attempt was made to put on the play, "This Ghost Business". It seems no one remembers the play, but that might be because we never put it on. In that year we also became acquainted with the watergun and yo-yo. They were not as big a hit with the teachers as they were with us. But what can you expect of teachers?

Oh, what times we had as Juniors! We raked and scraped to earn money for the big event—the Junior-Senior Prom. Remember how everyone worked the day of the Cabbage Ball washing cars? It might be the only day we worked, but we worked that day. The day of Homecoming was nothing short of a party. Our sponsor, Mrs. Broadway, in trying to keep up with us was running all over town. None of us was ever at the same place she was at the same time. The day of the Prom was a repetition of the day of Homecoming. The rings we thought we would never receive were flashed in everyone's face. We thought everyone should be as proud of them as we were. Sondra Deen reigned as Halloween Queen. Johnnie Durrance was selected to Girl's State; Charles Trad and Harry Stuckey to Boy's State. The class motto, colors, and flowers were selected in our Junior year.

At last the day came. We finally became the "Sensational Seniors". With the helpful guidance of our fine sponsor, Mr. Tiffany, and our capable president, Charles Trad, we breezed through our Senior year. We may never be missed, but it's a sure thing that we'll be remembered. Some say we'll never accomplish anything. Now that's a snap decision if there's ever been one. Tell us—who could get to know us in just twelve years? Billy White and Sandy McCabe were the Homecoming king and queen, while the Halloween king and queen were Charles Trad and Mary Jane Edwards. We honor the six members of the Senior class who have attended Bunnell High for twelve consecutive years: Dorothy Strickland, Charles Trad, Diana McKnight, Johnnie Durrance, Joyce Cody, and Sondra Deen.

Dorothy who leads the class scholastically, received a DAR award this year. She was vice president of the Senior class.

Charles went to Boy's State representing our Junior class. He was president of the Senior class. He also played football for three years and was a great player.

Diana has devoted much time to music and gained state wide recognition in band contests as a superior musician.

Johnnie went to Girl's State representing our Junior class. She was president of the Junior class.

Joyce was secretary of the Junior class, and treasurer of the Senior class.

Sondra who laughs at tragedy, has belonged to just about every club we've had.

We shall always remember the fun we had at the Junior-Senior Prom, and the thrill and sadness of Graduation Day. As we leave dear "Ole Bunnell High" many cherished memories of the past will be taken.

## ATHLETICS

Mr. Coy Harris, who has been coaching high school teams for 6 years, came from Bonifay to Bunnell this year. He has, through experience and know how, coached our football and basketball teams to many victories. Mr. Harris always has a cheerful word for everyone. He believes in strict discipline and rigid training—his record speaks for itself.

## Pep Rally & Homecoming

Homecoming, 1956, was one of the most memorable for all of us! For several weeks before the big event, B.H.S. was a campus of excitement. Our time was spent planning the floats, the dance, and electing the king and queen. The night before the game, excitement filled the air. An unusually large crowd assembled at the football field for the pep rally and the traditional burning of the dummy. Then an energetic group joined in the snake dance.

The parade and football game made everything a perfect Homecoming for the Bulldogs. The triumphal victory over D&B put everyone into a festive spirit that helped make the Homecoming Dance at the Civic Center a wonderful climax to this 1956 Homecoming.

## 1956 CARNIVAL

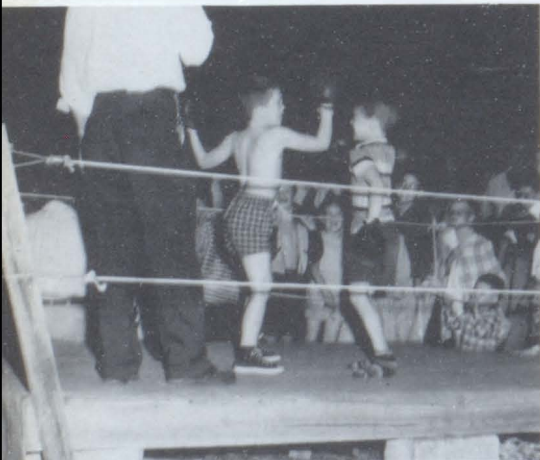

The 1956 Halloween carnival, sponsored by the P.T.A., was a great success. There was a large attendance of the local people on hand to support the worthy cause.

The King and Queen, who were elected by the popular vote of citizens of the community, were exceptionally regal. They represented the Senior Class.

### BAND

Under the leadership of Mr. Morris the Dance Band is experiencing another good year at Bunnell.

We have played for several school dances, including the first dance of the football season and the victorious homecoming dance.

We also participate in other school functions and play for local chapters in our community.

## BULLDOGS GROWL

For the first time in the history of Bunnell High a Journalism class was organized. One of the purposes of the class was to publish the "Growl". In the past years the Typing II class produced the "Growl". This is the first year for most of the students on the paper staff. Everyone has enjoyed the experience of working on the "Bulldog's Growl."
