#### ALMA MATER

In our memory now and ever,  
Hail thee dear ole High.  
Friendships, honors, love and praises  
Raise her colors high.  
Hail all hail our Alma Mater,  
Dear ole Bunnell High.  
Hail to thee our Alma Mater,  
Laud her to the sky.

BUNNELL HIGH SCHOOL  
BUNNELL, FLORIDA

1961 PINEA  
PUBLISHED BY SENIOR CLASS

As you go through the pages of this book we hope it will recall many pleasant memories and maybe a few funny ones. We have done our utmost to make this the best annual ever published here, and hope you'll think we succeeded.

We wish to extend our appreciation to all who have in any way helped to compile this book.

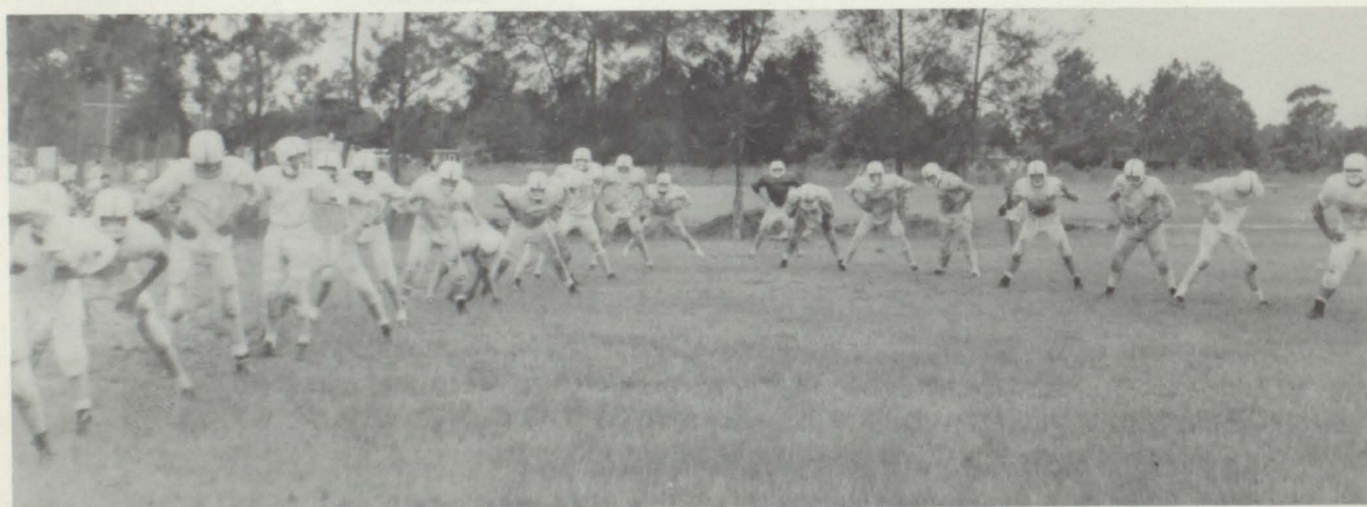

#### THE STAFF

The Physical Education Department this year had a varied program—this included individual and group games, basketball, softball and baseball, football, track, volleyball, soccer, badminton, shuffleboard, table tennis, gymnastics, and cheerleading.

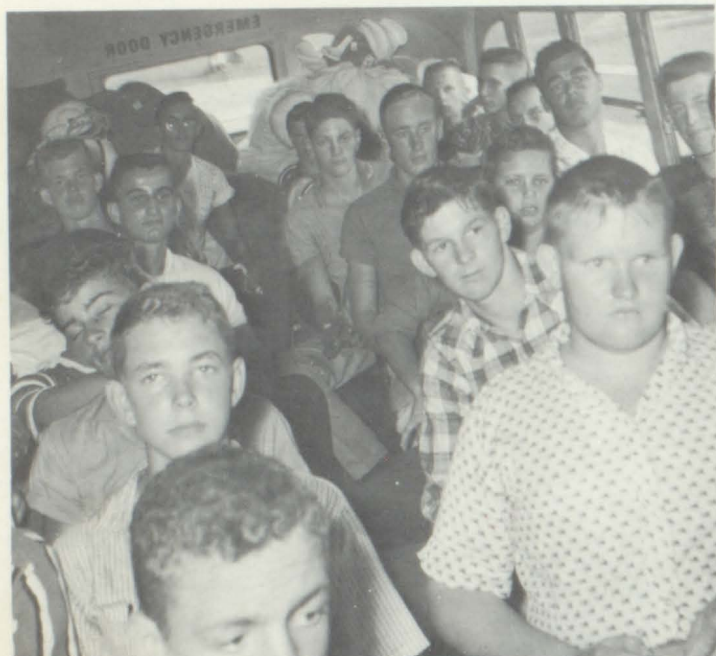

Well-trained scientists are needed more than ever to keep our nation alert with the rising developments in our modern scientific age. Our science department is endeavoring to challenge the college preparatory student to tackle this difficult but rewarding field.

A typical Friday during football season begins with the band rehearsing, which usually ends up with a mad rush to the bus.

Activities range far and wide at Bunnell High. The "Biggest Little Band in Dixie" provides much entertainment throughout the year. There are numerous active clubs and a varied sports program which is outstanding with our limited enrollment.

The objects of the Bunnell Parent-Teachers Association are:

To promote the welfare of children and youth in the home, school, church, and community.

To raise the standards of home life.

To secure adequate laws for the care and protection of children and youth.

To bring into closer relation the home and the school, that parents and teachers may cooperate intelligently in the training of the child.

To develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social, and spiritual education.

This year the Bunnell PTA working under a new plan of only four meetings a year had outstanding speakers and good attendance. Parents helped the teachers by taking over the refreshment booth and ticket gates at football games. Membership in the PTA was 190.

## PUPIL GUIDANCE

JOHN A. CANNON, JR., Guidance Counselor

Guidance at Bunnell High School means:

- A personal interest in each student and recognition of the fact that he or she is an individual.
- An atmosphere of friendly acceptance and understanding which never minimizes the importance of a problem.
- Counseling that is professionally competent and confidential and which never minimizes the importance of a problem.
- Career planning.
- Vocational planning.
- Assistance with college planning.
- An information source for students.
- Testing designed to help students understand themselves better.
- Assistance in understanding and solving everyday problems.
- Cooperation with, and assistance to the classroom teacher in the educational process.

For his willingness to help whenever he is needed, time he has spent making the way easier for others, sincere interest in each student, always being a gentleman, encouraging and supporting sports and school activities, respect and affection for his pupils, and for all the work he does, asking no credit, but deserving much, we, the seniors, lovingly dedicate the 1961 Pinea to Mr. Bill Humphrey, to show our respect and affection for him and in the hope that this dedication will in a small way make up for the credit that he richly deserves; but, in common with all teachers, does not receive.

## SENIOR CLASS HISTORY

We have finally made it! We are the graduates of 1961. Our class has made history. The things that we have done and changed will not be forgotten for a long time — we hope. There are only three students who began together in the first grade. They are Kathy Anderson, Pat Niesen, and Cary Holland; of these three, Pat and Cary have come together fighting all the way.

From the first through the seventh some came and some left. In the eighth grade we thought we had completed our roll for the Graduating Class of 1961. Those members were Joann Preston, Reid Robertson, Sandy Gordon, Jeff Seale, Marlene Ricks, Joann Hoff, Mary Jo Daugherty, Kathy Anderson, Pat Niesen, Cary Holland, Polly Forson, Faye Bass, Dan Frailey, Thomas Minchew, Nancy Brannam, and Julia Gordon.

This class had a time in Mrs. Murray's room. We had fights, partners, chalk thrown at us, and many learned the feel of "the Board of Education" this year. During the next four years Eulene Brock, Betty Abbott, and John Craig were added to our class.

The freshman year came and we were all scared of the oncoming Initiation. We all, however, survived and were accepted by the senior class as good sports.

In our next school year we learned the meaning

of the word "Sophomore." We were both wise and foolish. We put on our share of dances and bake sales, trying to earn money for our prom and banquet.

As Juniors we had charge of the homecoming festivities. None of us thought we would ever get through this, especially Mary Jo Daugherty — Chairman of the Parade, and Polly Forson — Decorating Chairman.

The night of the Pep Rally came. Everyone was excited and busy trying to get their floats ready. It was announced over the loud speaker that someone had stolen the Junior Class's float. The search was on. Finally the tattered remnants were found. We were a very sad group. No one felt like starting again from scratch — but the old spark returned. Late at night we started working hard and fast on our new float. We were laughed at for a long, long time. "The Juniors had lost their potato!"

Another headache which we all thoroughly enjoyed was making plans for the prom. This was to be one of the greatest events of our school days.

We didn't think anything could compare or equal our Junior year; but, then, we became Almighty Seniors. This is what we had been waiting for. Every moment had been wonderful and filled our expectations of the twelve years that have preceded.

## LAST WILL AND TESTAMENT

We, the Senior Class of 1961, do hereby declare this to be our last will and testament.

I, Betty Abbott, will my ability to get along with Mr. Hein to everyone in his typing classes, my swing and sway to Carol Christopher, and my flashing black eyes to Susan Deen.

I, Kathy Anderson, will my ability to blow up the chemistry class to Carol Christopher.

I, Faye Bass, will my ability to get along with Mr. Hinson in his math classes to Janice Lovelace and Linda Harris.

I, Nancy Brannam will my ability to finish high school in three years to anyone who can do it.

I, Eulene Brock, will my ability to do acrobatics to Miss Bradley.

I, John Craig, will my ability to outsmart the weaker and opposite sex to David Cook, and my acquired mathematical assets to Susan Jane Deen and Carol Christopher.

I, Polly Forson, will my ability to be a good cheerleader to Janice Lovelace and my ability to make good grades to Jerry Burnsed.

I, Danny Frailey, will my ability to do physics to Mr. Hinson and my slightly used compass to Paul Staton.

I, Julia Gordon, will all of my dilapidated books to Herschell Simpson.

I, Sandra Gordon, will my feminine ways to Sheila Westbrook.

I, Joan Hoff, will my ability as majorette to Linda Harris and my natural black hair to Nell Johnston.

I, Cary Holland, will my misfortune of breaking my hand during football season to no one and ability to play trumpet to Harry Kuleski.

I, Thomas Minchew, will my ability in agriculture to Mr. Ward and my dependability to Eddie Pellicer.

I, Pat Niesen, will my love for conversation to Elaine Deen, my ex-boyfriends to Janice Lovelace, and my ability to play basketball to no one.

I, Ted Panchella, will my ability to sweep Linda Harris off her feet to Mike Cook, and my weight-lifting ability to Flynn Edmonson.

I, Joann Preston, will my ability to grow long fingernails to Janice Lovelace.

I, Molly Ricks, will my complete happiness to Carol Christopher and my happy-go-lucky ways to Sue King.

I, Reid Robertson, will my ability to drive to anyone who thinks they are brave enough and my ability to play football to Jessie Overby.

I, Jeffrey Seale, leave my old wits to Mike McMillan to use at will and my carefree attitude to Boyd Robertson.

## BETA CLUB

The Beta Club is an organization to recognize the outstanding students of Bunnell High School. It is a service organization. Its motto is "Let Us Lead By Serving Others."

This past year the Bunnell Chapter of The National Beta Club was host to the second annual District VI meeting. The club also sponsored several dances and other activities to raise money to send representatives to the State Convention that was held in Jacksonville in April. One of the several service projects was to keep the gymnasium trophy case clean. The club also provided services to fellow students.

The 1960 Boys' State delegates from Bunnell were sponsored by the American Legion post of Flagler County.

During the week of June 18-25, 529 high school juniors from all sections of the state of Florida met in the capital city for the annual Boys' State meet-

ing. The participants were chosen on the basis of character, scholarship, and leadership ability.

During the week, complete State, County, and City Governments were established.

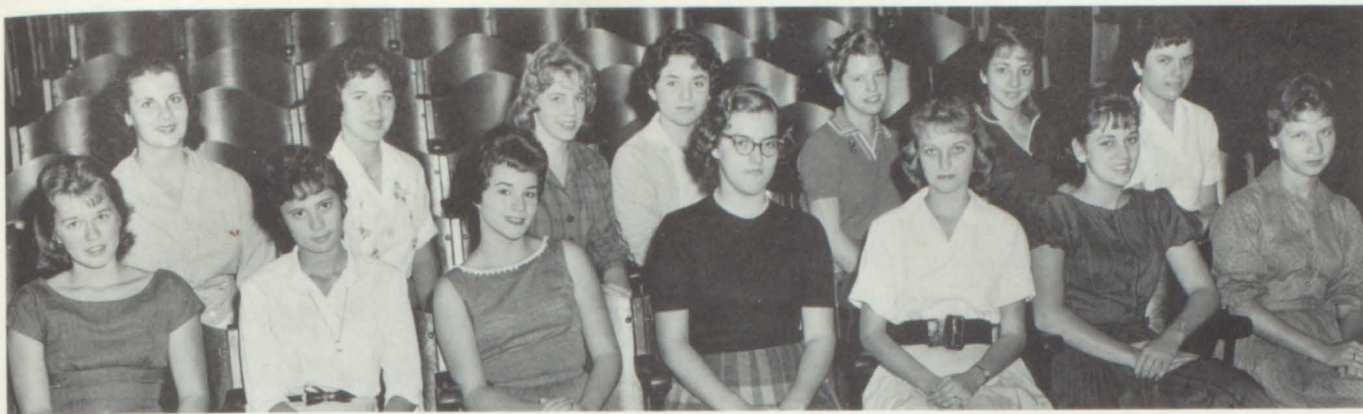

Distinguished speakers of the week were Governor-elect Farris Bryant, various members of Governor Collins' cabinet, and Judges of the Supreme Court.

## FFA BOYS TAKE TRIP TO MEXICO . . . JUNE 1960

Thirty members of the Bunnell FFA and four chaperones left at 6:30 in the morning on June 18 from the Flagler County Courthouse — Mexico bound. The first stop was in Tallahassee for lunch and then on to Mobile, Alabama, where we spent the night. Our next stop was Biloxi, Mississippi, where we stopped for lunch. We also bought a sackful of firecrackers, cherry bombs, and skyrockets. Then we toured New Orleans. On June 20 we stopped just outside Beaumont, Texas, and visited the Hudginns Ranch. We stopped in Refugio, Texas, for watermelon. Then on to Kings Ranch through which we drove all day and part of the night. This ranch covers about 100 square miles. Next came San Antonio and a visit to the Alamo. Our next stop was Langtry, Texas, where we took a tour

of Judge Roy Bean's museum of the "ole shoot 'em up days." We saw numerous antelope in this area in Texas. In some places it hadn't rained for five years. On June 23 we arrived at El Paso, Texas. From there most of the boys went to Mexico. They came back with boots, jewelry, blankets, shawls, and other souvenirs. That night several of us went back across the border and saw some of the night life in Mexico. The next morning we climbed aboard the school bus and set sail for Bunnell. A different route through the mountains was taken. A stopover at Carlsbad Caverns was one of the most interesting sites of the trip. This was a three-mile walk underground, about 900 feet below the surface. After only a few more stops we finally got home to Flagler County.

# BOAT TRIP TO NASSAU TAKEN BY BAND

BAND TRIP TO NASSAU, JUNE 1960

After a great many money-making projects, and careful planning, the Band left at 6:05 a.m., on Friday, June 10, in two school buses for Miami. The Seniors and Juniors were privileged by having a bus for ourselves. About ten miles south of Bunnell our bus broke down. After much confusion and fussing we lowered our esteem and rode with the younger members of the Band. Imagine, the whole Band, plus chaperones and luggage, all packed into one tiny school bus rambling to Miami. We looked and felt like sardines in a can.

Well, we finally arrived in Miami at 2:00 p.m. After unloading and getting our keys to our rooms we boarded the S. S. Bahama Star and after some difficulty, found our rooms, and incidentally near the engine room.

Immediately after the boat embarked, we all went to our rooms and dressed for dinner which was at 6:00 p. m. The boys wore coats and ties and the girls, pretty dresses. It was a rule for everyone to "dress" for dinner.

Soon after our first meal was served, we began to notice that the water was becoming extremely rough. We began rocking back and forth. About 300 passengers were seated in the dining hall. Slowly, but surely, one after the other began to glow with a pale-green complexion. Before long the entire dining hall was emptied with the exception of the waiters and some brave souls such as Mr. Morris and C. B. Eisenbach, who really didn't look too well. By midnight just about everything that was consumed at dinner was now in the ocean. Golly were we SEASICK!

The next morning the sea was still rough but not as bad as during the night. Following breakfast we lined the rails of the deck to watch the activities at the dock in Nassau. Groups of native boys climbed up

the anchor ropes and entertained us by dancing, singing, and jumping and diving from the top deck of the boat. We showed our appreciation by tossing money into the waters of the Nassau harbor.

Finally we were permitted to leave the boat and go into Nassau. The instant we hit solid ground we were very happy—the ones who were still seasick got well immediately.

We went to the Straw Market where everyone bought a hat and then bargained with the natives for other straw goods. Most of the stores were closed for the Queen's birthday, but most of us busied ourselves with the rental of motor bikes and cars. This was exciting, especially driving on the left side of the road.

We toured the island, which is 21 miles long and 7 miles wide. Some of the sights that attracted us were the Straw Markets, Post Office, Warer Tower, Old Fort, Sea Gardens, and Paradise Beach.

At night, we restricted our activities to the boat. A recreation director planned entertainment for the passengers — dancing, floor shows, games, etc. until the early hours of the morning.

When we left Nassau the band played and the native boys entertained us once more. The sea was smooth, so no one got sick on the way back.

Upon arriving in Miami next morning, we rushed to prepare to go through customs. This was very exciting and educational. We finally cleared customs and loaded on the bus for the return trip home. We were really tourists because we brought back everything from "soup to nuts."

We arrived in Bunnell around 6:00 P.M. happy, tired, and broke.

## MISS BUNNELL HIGH CONTEST

The Miss Bunnell High Contest was held on February 18, 1961. It was a huge success. This was the largest contest with twenty-five contestants.

We began our evening with the annual banquet which was held at the school cafeteria. The cafeteria staff furnished a wonderful meal. The Tri-Hi-Y and Hi-Y sponsor both gave brief remarks.

The contest started at 8:00 p.m. with the girls nervous and excited. While the judges were making their decisions, entertainment was provided and everyone relaxed a little.

Questions of all types were asked to the girls. Past presidents were reviewed, and opinions were given on our plans and dreams.

Then the time came for what everyone had been waiting. The 1961 Miss Bunnell High, Miss Faye Bass, was crowned. The runnersup were 1st, Miss Mary Jo Daugherty; 2nd, Jamesene Dawson; and 3rd, Janice Lovelace. Once more a Miss Bunnell High had been crowned.

1. JoAnn Morris, former Miss Bunnell High speaks to participants of contest.
2. David Cook, Tri-Hi-Y Sweetheart, crowns the new Miss Bunnell High, Faye Bass.
3. Dianne Likins in a pantomime.
4. A ballet routine by Linda Blackwell.
5. Sherry Hargett and Brenda Murray in a vocal duet.
6. Mary Jo Daugherty picks out a question from a bowl held by Ida Allen, while Mrs. Margaret Clegg, mistress of ceremonies, observes. Ida also did an acrobatic routine.
7. Judges of the contest were Mrs. Fruits, Mrs. Strickland, Mrs. Schwenk, Mr. Mercer, and Dr. Reynolds.

## 1960 HOMECOMING

"'Twas the night before Homecoming." Yes, the night before Homecoming the air was filled with excitement, thrills, and enthusiastic cheers. As usual, we burned the dummy the way we were planning to burn those "Green Waves"! Our spirits were raised higher by the cheers led by our fine cheerleaders, "pep" speeches by Coaches Humphrey and Ralph and the captains for the game, all Seniors, and, of course, the Snake Dance.

At 2:30, on Friday afternoon, October 28, the band led the Homecoming parade. We will have to agree that there was more originality shown in the floats this year than ever before.

The Homecoming Queen candidates were attired in lovely formals and rode in convertibles.

By halftime we were swimming over those "Green Waves" with a score of 12-0. The "Biggest Little Band in Dixie" honored the class of '35. Then it was time for the announcement everyone was waiting to hear — the 1960 Homecoming King and Queen. Jo-Ann Morris, 1959 Homecoming Queen, was happy to crown Pat Niesen as Queen and Jeff Seale as King. Joan Hoff, Betty Abbott, Marlene Ricks, John Craig, Danny Frailey, and Cary Holland were the court. At the end of the game we defeated the Waves 12-0.

Following the game at the Civic Center, a large crowd enjoyed the dance. The decorations had an autumn atmosphere. Music was played by a fine band and all of us helped ourselves to the refreshments.

As our Homecoming came to a close, we can say that this was an occasion to be long remembered.

## BULLDOGS - 1960 SEASON

### BULLDOGS 0 — CRESCENT CITY 18

Our season started with Crescent City. They scored twice early in the game due to the fact that they had found a weakness in the Bulldog passing defense.

### BULLDOGS 6 — DUNNELLON 12

Due to lack of experience, we lost again. Even though we lost the game, some good football was played in the third and fourth quarter. Jeff Seale scored in the last few minutes of the third quarter. Wilbur Sheffield scored in the fourth quarter, but was called back because of a penalty. The game ended in Dunnellon's favor.

### BULLDOGS 6 — ST. JOSEPH 12

This game was played on a wet, sloppy field. We played some good and bad football in the game. At the end of the first half the score was tied 6-6. They scored again in the last half. Jerry Burnsed scored the only Bulldog touchdown that night.

### BULLDOGS 19 — BALDWIN 7

Here we played a game on a wet field only that night every thing seemed to be right. Jerry Burnsed scored three times that night making the score 19-7. We made one extra point.

### BULLDOGS 12 — D & B 0

Although we won that night, we played some bad ball. The timing in the backfield was thrown off by having two starting men out of the game with injuries. Jeff Seale and Jerry Burnsed scored the T. D.'s that night.

### BULLDOGS 12 — FATHER LOPEZ 0

We won that game by simply overpowering and driving the ball down the field to score. David Cook played an outstanding defensive game.

### BULLDOGS 28 — TAYLOR 0

In this game the B squad got to play the whole offensive last half of the game. We won the game because that night everything seemed to go well. We intercepted 5 of Taylor's passes.

### BULLDOGS 12 — LYMAN 35

We had an off night this game. We let pass receivers get in back of our defensive halfback to score. We lost this game on account of bad mistakes.

### BULLDOGS 0 — HASTINGS 7

This game was a real tough game for Bunnell and Hastings. Both teams were evenly matched. Hastings got a good break and scored.

# ADVERTISING

To you, our advertisers, we, the students of Bunnell High, say "Thank you." We hope you will profit by the ads placed in our book. We appreciate your friendliness, courtesy and helpfulness at all times.

## **AFTER THE BIG EVENT BECOMES A FOND FLEETING MEMORY...?**

YOU with student-days behind you, will be seeking a place in the sun to put what you have learned into practice.

Reddy Kilowatt suggests you look around Florida first where there is an ever growing need for well trained action-minded young people. Florida not only has set the pace for growing business and industry, but holds one of the brightest futures in the nation for young people with talent and ambition.
