SENIOR CLASS HISTORY

On a brisk September morning 12 years ago an excited group of first graders rushed eagerly through the doors of Bunnell High School, on their way to becoming the class of 1962.

Elementary school days passed with many interesting and amusing events, everything from standing in the corner to doing board drills.

Seventh and eighth grades brought about many new things, including students. Our class roll had now reached a height of 55.

Well we finally made our way into high school where we quickly branded the "Freshman Rats." We all survived initiation, the new ideas, and school work that year under the guidance of Mrs. Baker and Mr. Cannon.

As sophomores we were more accustomed to high school ways. We selected our class colors, orchid and white; our flower, chrysanthemum; and our motto, "Every man for himself and God for us all." Along with the help of our advisors, Mrs. Baker and Mr. Hein, we proudly won first place in the float contest at the Homecoming Festivities. Our theme was "Hang 'em high, bury 'em deep." We began to raise money in every way for our prom and banquet for the Junior year.

The magazine drive started off our Junior year. We worked hard, but didn't quite reach the previous year's goal.

Our Homecoming events went along as smoothly as possible. The theme was Autumn Leaves and the civic center was decorated beautifully. Our long awaited class rings arrived before Christmas and ev-

eryone walked around displaying the prized possession.

We displayed our loyalty to the South by presenting "Under the Magnolias" as the theme for our prom. The prom was held in the gymnasium which was a replica of a southern plantation. Our sponsors as Juniors were Mrs. Broadaway and Mr. Hinson.

During the following summer Mary Susan Brannam, Mike McMillan, and Paul Staton were delegates to Girls' and Boys' State in Tallahassee.

At last! We now became the "almighty Seniors" and we lived up to our name. We had but twelve of our original students. On the roll book were Buddy Barrow, David Cook, Ronnie Canakaris, Jamesene Dawson, Elaine Deen, Susan Deen, Charlie McCraney, Boyd Robertson, Jerry Burnsed, Terry Sheffield, Grace Steflik, and Susan Wadsworth. Added to our enrollment were the following students: 2nd grade-JoAnn Cockrell, 3rd grade-Connie Shields and Rudy Stula, 4th grade-Mike McMillan and Carol Christopher, 5th grade-Mary Susan Brannam, 6th-grade-Pat Bross, 7th grade-Peggy Hoskins, Don McNab, Alvin Missinee, Linda Revels, Paul Staton, Cecil Westbrook, Sheila Westbrook, Florence Williams, Thomas Stuckey, and Faye Edmonson, 8th grade Lynn Orem, 9th grade-Thomas Robertson and Mona Hornsby, 12th grade-Pee Wee Knight.

Hard work, determination, and our sponsors, Mrs. McCoy, Miss Martucci, Mr. Cannon, and Mr. Morris-made possible our wonderful class trip in May.

Graduation day came and we left Bunnell High to face the future leaving behind many cherished memories.

JUNIORS HAVE SUCCESSFUL MAGAZINE SALES CAMPAIGN

From the time Mr. Saunders spoke to us in the auditorium about the magazine drive until the sales were over, the junior class was busy. The selling itself brought the class about \$392 profit. Our goal was \$1200, but we really wanted to go over last year's sales of \$1077.54. The drive was a success. Our total was \$1121.23 and the three top salesmen were Barbara Smythe (477.78), Mechele Steflik (\$120.62), and Janice Lovelace (\$75.86). The prizes were stuffed animals, "nit-wit" dolls, silver dollars, sales certificates, and sales pins. We topped last year's sales and an additional \$25 in prizes was divided among the top eight winners. Barbara was sent a special prize, a stuffed monkey, along with a letter of commendation from the company. The junior class is grateful to the sponsors for their cooperation.

SCHOOL PICNIC AT DELEON SPRINGS, MAY, 1961

On Monday morning of the last day of the 1961 school year a boisterous group of students boarded the school buses for Ponce de Leon Springs and fun, sun, and sheer excitement.

The presence of the many faculty members did not dampen the spirits of the student body. Swimming, skindiving, and devouring of all edible objects were enjoyed by all—even the plucking of the peacock tail feathers.

The Tri-Hi-Y and Hi-Y clubs were very active this year. After the installation of officers the clubs began making plans for projects for the coming year. The two clubs together sponsored the "Save the Children" clothing drive which was very successful. Robbie Tucker and Mickey Ramsey represented Hi-Y at the North Florida convention in Jacksonville. Tri-Hi-Y and Hi-Y

also sent delegates to Gainesville and Tallahassee to conventions. Tri-Hi-Y sponsored the annual Miss Bun-nell High contest which was their annual money making project. The clubs combined performed several service projects for families in our community. We had many enjoyable moments and look forward to many more to come.

LIBRARY CLUB

The Library Club is an organization to promote interest in reading by stimulating a person's curiosity in good books. Our motto is: It is well to read everything of something, and something of everything.

The library assistants have made several bulletin boards this year on various subjects in the field of

good reading. These assistants have also been trained in operating audio-visual equipment. This has been an aid to teachers in various classroom subjects.

The club had a Christmas party at the Lotus Restaurant in Daytona Beach.

Bunnell High School students began Vocational School work in September of this school year at the Mary Karl Vocational School, a Division of the Daytona Beach Junior College.

In order to take Vocational Subjects it is necessary for students to ride the Junior College bus which leaves Bunnell each morning at 7 o'clock. Classes begin at Mary Karl at 8:30 and continue until 11:30. Three credits are earned by students in this program. At 11:30 students are transported back to Bunnell High School where they take three academic courses for the remainder of the day.

Vocational courses are offered in the following areas:

Basic Electricity, Electrical Appliance Repair, Radio and Television, Auto Mechanics, Drafting, Horticulture, Photography, Printing, Small Motors Repair, Watch Repair, Cabinetmaking, Beauty Culture, and Business Education.

The following students were enrolled this year: Charles Bratcher, Mike Cook, Flynn Edmonson, Linda Harris, Jimmy Lopez, Jessie Overby, Lynn Orem, Sheila Westbrook.

Vocational Courses are designed to help students secure their training and skills for their life's work and are open to eleventh and twelfth grade students.

BOYS AND GIRLS STATE

PAUL STATON

MARY SUSAN BRANNAM

MIKE McMILLAN

The American Legion and the American Legion Auxiliary of Flagler County sponsored the participants of Boys' and Girls' State this year. Students from all over Florida met at the state capitol in Tallahassee to attend the annual meeting of the "State of Seminole."

"The State of Seminole" is a simulated state set up by the students. First-hand instructions are given about the maneuvers of our state government and the manner in which it was started.

Governor Bryant and his cabinet members were most courteous and helpful as they assisted the Boy and Girl Staters in their "State of Seminole."

Every student should have the wonderful opportunity to attend Boys' or Girls' State—there is so much to be obtained about our government and there is always that wonderful feeling of fellowship.

SUMMER SCIENCE PROGRAM

Connie Shields was one of 25 high school students who attended the Science Summer Research Participation Program sponsored by the National Science Foundation. The participants, 19 boys and 6 girls, represented high schools in all parts of Florida. They had many other interests outside science—from music to leadership in Student Councils.

For eight weeks the "budding young scientists" attended lectures by professors covering many fields of science. These ranged from "Plasma Physics" to "The Design and Use of the University of Florida Training Reactor." They observed and participated in active research at the University of Florida and exchanged new ideas of science among themselves.

Connie worked in the Dairy Bacteriology laboratory in the Department of Dairy Science. Her project was isolating and identifying certain strains of bacteria important in cattle disease research under the guidance of a University of Florida professor.

On weekends, the group took field trips to various places in Florida, including Sea Horse Key Marine Biology Laboratory and U. S. Naval Station at Mayport, Florida.

The students had full privileges of the University of Florida recreational facilities and co-operation of the University professors.

The Miss Bunnell High Contest was held on March 10, 1962. There were twenty-one girls participating in the contest.

The evening began with the banquet at 6:30. A wonderful meal of T-bone steak and all the trimmings was prepared by the cafeteria staff.

The contest began at 8:00 in the Flagler Gymnasium with everyone excited and nervous.

The judges of the contest were: Mrs. Betty McDaniels, Mrs. Viola Tonkins, Mrs. George Moody, Mrs. Jane Cole, and Mrs. Dave Perryman. Mistress of Ceremonies

was Mrs. Imogene Strickland.

The top ten answered questions pertaining to views on outer space, opinions on the "Twist", and our plans for the future.

Then the big moment arrived! Announced as 1962 Miss Bunnell High runnersup were: 1st, Jamesene Dawson; 2nd, Susan Deen; and 3rd, Barbara Smythe. At last, crowned as 1962 Miss Bunnell High was Grace Steflik. Once more a Miss Bunnell High has been crowned.

1961 HOMECOMING

The cheers, speeches, and music created an atmosphere of high spirits at the Pep Rally. Everyone joined the war party as they danced around the bonfire while the Keystone Heights Indian was burning. The war dance continued through the streets of town to show everyone that we were planning to be victorious.

Wednesday was a busy day as last minute preparations were being made for the parade. There were quite a variety of floats, everything from bugs to telephones.

The high spot of Homecoming finally arrived as the band saluted the Class of 1951, Thanksgiving, and of course the 1961 Homecoming King and Queen. The 1960 Homecoming King Jeff Seale and Queen Pat Niesen crowned Mike McMillan and Susan Deen to reign as King and Queen for 1961.

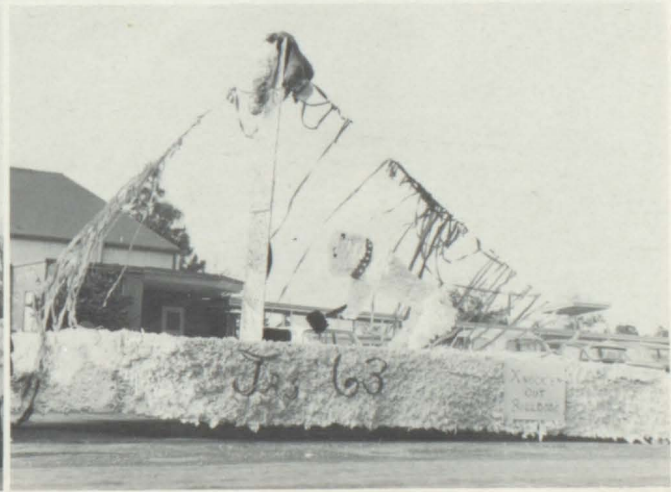

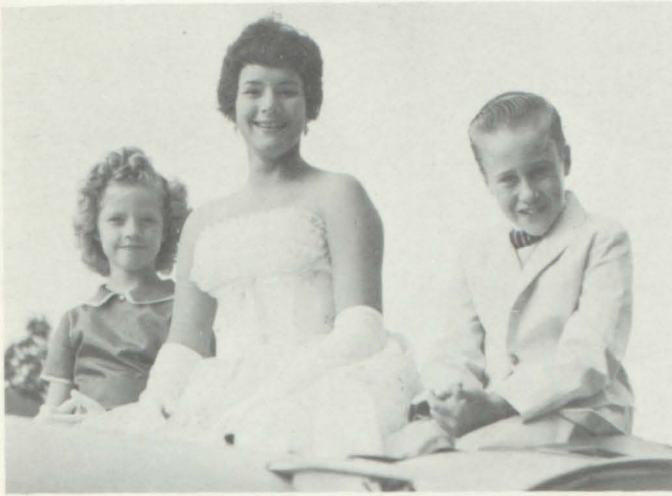

The final score of the game was Bunnell 40, Keystone Heights 0. For the final touches to this wonderful Homecoming the Bulldogs enjoyed a fine Homecoming dance.

ATHLETICS

Bunnell 58 Crescent City 7

In the first game of the season, the Bulldogs started off with a bang. Jerry Burnsed scored 4 times, Kuleski scored 3 times, and Mighty Mac scored 2. Sheffield added 3 PAT. Everybody was up to par that night.

Bunnell 7 Orange Park 6

We ran up against some stiff competition. Burnsed hit Kuleski with a 30 yard pass to make the touchdown. We came right back with the extra point. But the aggressive opposition held the Bulldogs to that only touchdown.

Bunnell 53 St. Joe 0

After a let down from last week the Bulldogs came back fighting. Scoring 53 points and holding the opposition to 0. Harry Kuleski was injured in this game.

Bunnell 13 Baldwin 0

This was another close game. Nothing seemed to go right in this game. Ronnie Canakaris was injured in the first quarter, but the Bulldogs finally got tough and played football. Scalping the Indians 13 to 0.

Bunnell 27 D & B 6

Even though it was a rainy and wet night the Bulldogs took the lead and kept it. Though some of our power in the line and some of the speed of the backfield was weakened a little, we still played a fairly good game.

Bunnell 6 Father Lopez 12

The Bulldogs suffered their first loss of the year at the hands of Father Lopez. The Green Waves held the Bulldogs to a minimum of yardage. Though we lost we still played fairly good ball.

Bunnell 38 Pierson 6

The Bulldogs came back hard and fast for this game. The boys brought up from Junior Varsity played a good ball game.

Bunnell 0 Hastings 15

Though we lost, the Bulldogs played the best ball game of the season. David Cook, McMillan, Emery, and Knight played a good defensive ball game. Wilbur Sheffield ran hard in this game. This was the first game in which we failed to score.

Bunnell 27 Callahan 12

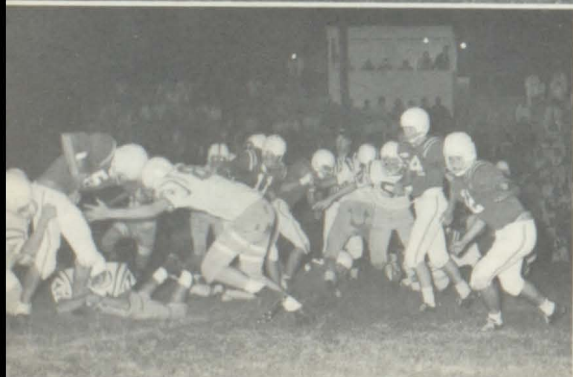

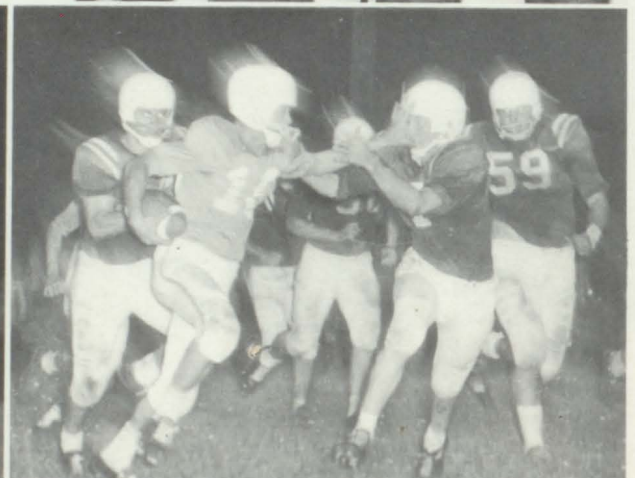

After a long trip up there we beat Callahan in their Homecoming game. We scored twice in the first two minutes. Everything went as well as could be expected. Bebe Moody, Jerry Burnsed, Wilbur Sheffield made our touchdowns.

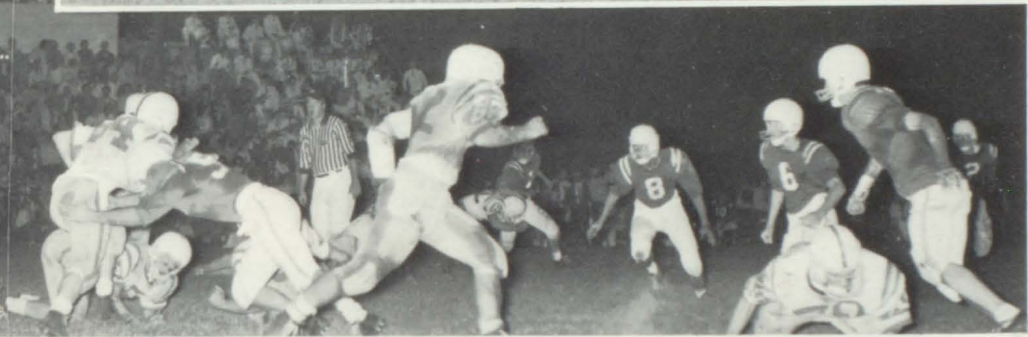

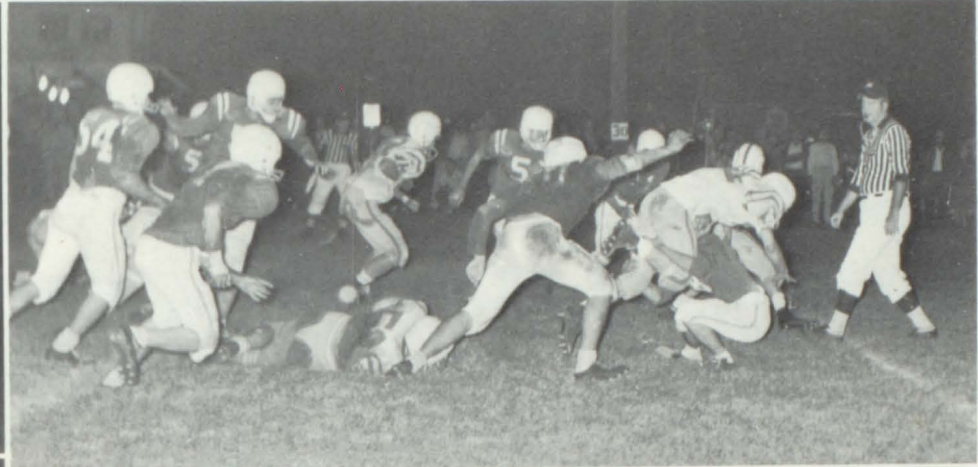

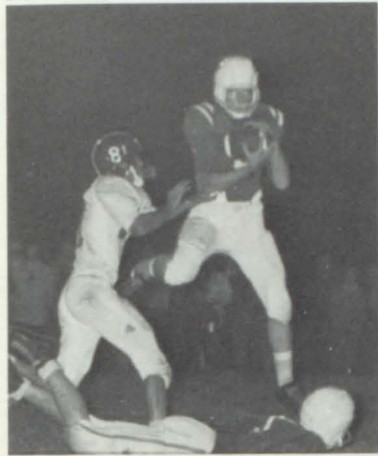

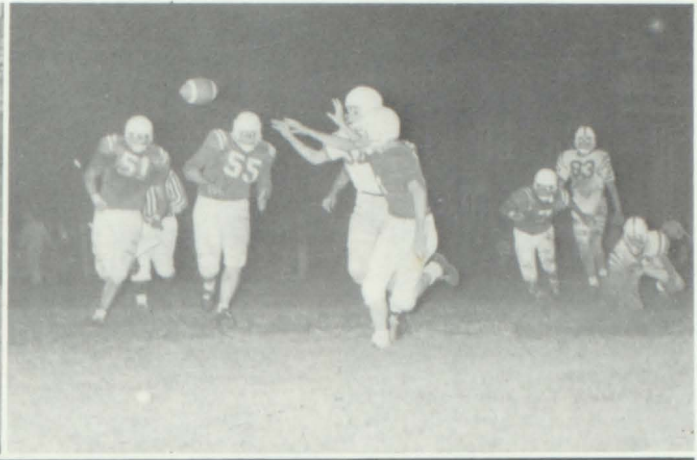

Bunnell 40 Keystone Heights 0

This was our Homecoming game. We were all fired and beat them 40 to 0. The Seniors played their last football game in high school. The Junior Varsity boys did a terrific job. Harry Kuleski was back from his injuries and scored 2 touchdowns. Burnsed, McNab, McMillan, and Knight each scored one touchdown. Everyone was sad to see the season come to an end. Our record ended up as an 8-2-0 record.

YOU with student-days behind you, will be seeking a place in the sun to put what you have learned into practice.

Reddy Kilowatt suggests you look around Florida first where there is an ever growing need for well trained action-minded young people. Florida not only has set the pace for growing business and industry, but holds one of the brightest futures in the nation for young people with talent and ambition.
