"School life has a separate and special function. It is a beginning that provides for continual progress. It encompasses many things.

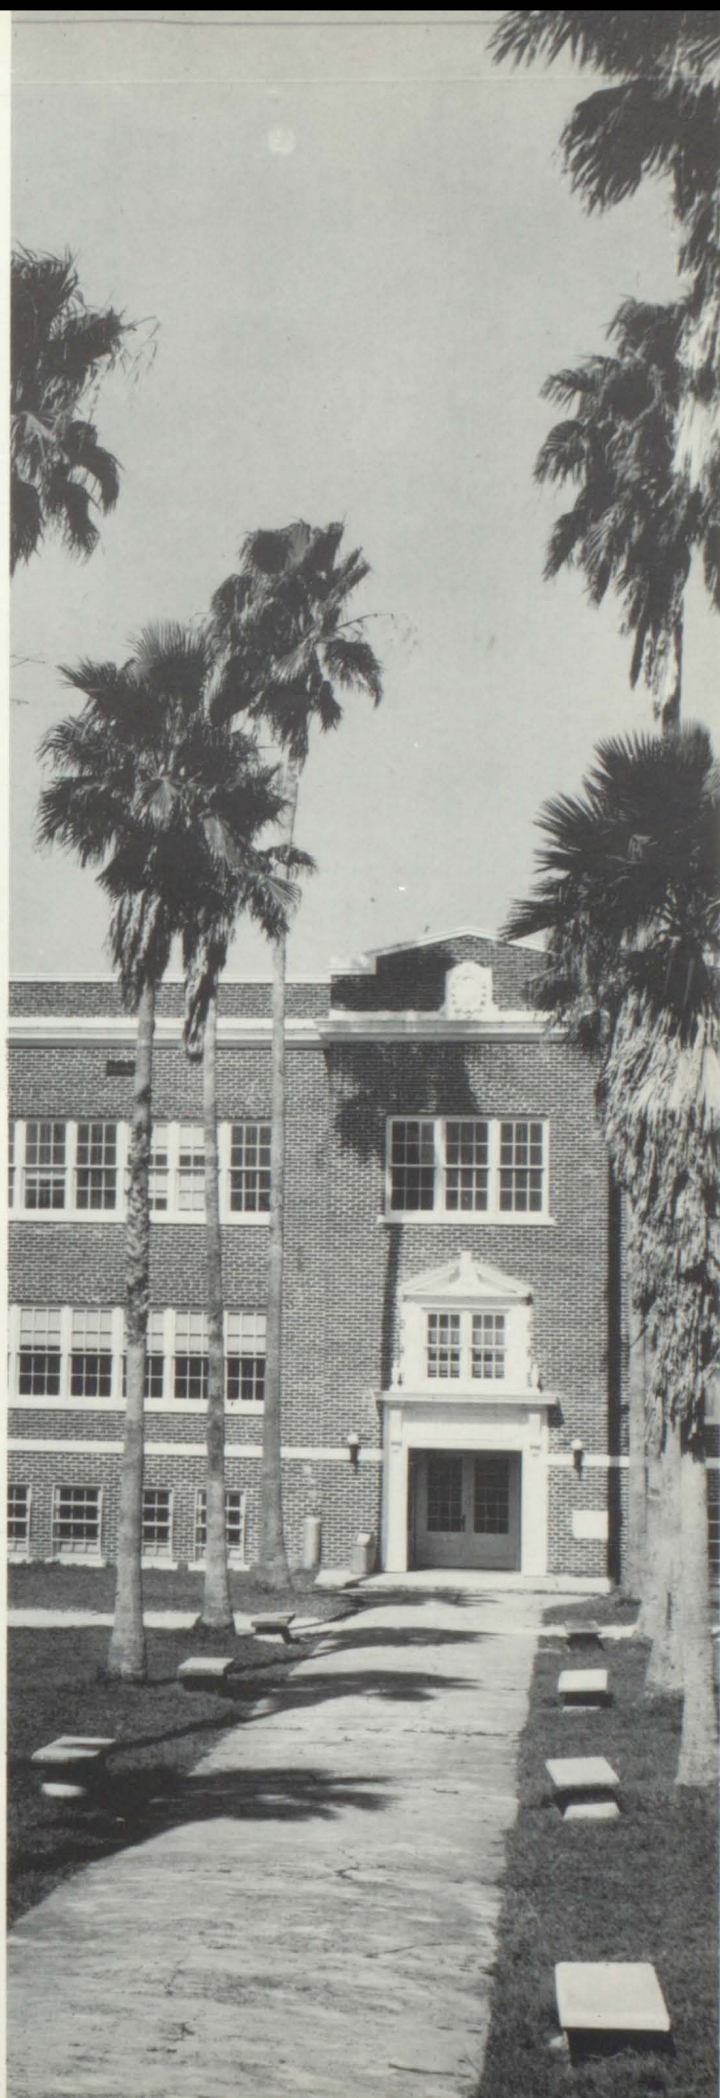

It is people—friends, classmates, football heroes, "brains", underclassmen, faculty

It is a place—stairs to climb, bells to beat, gyms to practice in, auditoriums to perform in, rooms to grow in

It is events—football games, Homecoming, basketball, club meetings, contests, plays, big tests, and finally—graduation

It is memories—an alma mater, a fight song, a sweetheart, a mascot, an old tradition"

Hoping to preserve this same spirit of school life and keep alive all the good things which make it so, we proudly present to you the 1964 PINEA.

DEDICATION

For their unselfish devotion toward our improvement as scholars, athletes, and individuals; for their counsel and advice "over and beyond the call of duty;" for their appreciation of us as real people with hopes, goals, and minds of our own; for their patience and understanding under "trying" conditions; for their support and encouragement when the going gets a little rough; and mostly for just being themselves, we the SENIORS of 1964 gratefully dedicate our 1964 PINEA to Mrs. Millie McCoy and Miss Sarita Bradley.

SEATED: Mary Matthews, Linda Cody, Sue King. STANDING: Robert Abbott, Charlotte Gies, Margie Schatz, Alvin Salyerds, Allida Tucker.

MESSAGE FROM THE PRINCIPAL

Twelve years ago you, the Class of 1964, began your education. The elementary phase of this training seems quite remote in your minds now, but it was the beginning of your preparation for adulthood. You passed through the Korean War and its history of being the only war ever lost by your freedom-loving America. You passed through the history-making epoch of Alan Shepherd's flight into outer space. You have the Space Age and all of its challenges before you. What a panoramic stage has been set for you.

In the fields of electronics, education, arts, sciences, and other fields of job opportunities, you enter upon a very vital part of life in your community and nation. The care of these opportunities is good citizenship, which you have demonstrated in all phases of the student life at Bunnell High School.

Think in terms of living not only within the narrow bounds of your community, but also in terms of your nation. In your life is the very real threat of Communism. In your hands lies the power to return a true Democracy to your nation. Therefore, be grateful for the advantage and privilege of an education based upon the sound democratic principles of American education. Assume the responsibility of granting this same opportunity to those who follow you by being a good citizen.

Theodore Roosevelt once said in a speech in 1902, these words that you can use as a guide: "The first requisite of a good citizen in this Republic of ours is that he shall be able and willing to pull his weight."

Two members of the Class of 1964 left the class at the end of the 1962-'63 school year to enroll at Florida State University. Ria Nell Johnston and Penelope Gail Wadsworth carried heavy academic loads during their first three years at Bunnell High and maintained superior grades. Their scores on the twelfth grade placement tests were very high. Nell enrolled in the early admissions program at Stetson University during the summer of 1963 and did superior work in this accelerated academic program of study.

Both girls have performed well at Florida State University during the 1963-'64 school year. The Class of 1964 can be proud of the achievements of these two members.

CLASS HISTORY

Some people think that things come cheaper by the dozen; however many people found out that the twelve members of our class of '64 who stayed together throughout school turned out to be a pretty good group. The twelve "charter" members are Kathy Barber, Donald Barrow, David Brown, Linda Cody, Howard Emery, Tommy Kahlert, Alvin Salyerds, David Sheffield, Sharon Townsend, Alida Tucker, Robbie Tucker, and Nancy Wilson. The "growing pains" of Bunnell High School had just begun as we had the first class big enough to be split into two sections. Under the divine tutorship of Mrs. Hazel Holland and Mrs. Ellen Scruggs, we began our educational sojourn. The next year Lehigh gave Bunnell High some new buildings and we spent a split second grade in them. The next year we went back to the "big building" where we stayed together until we outgrew the sixth grade room and had to be split again. During these elementary years we added the following students to our roll: Charlotte Gies, second grade; Kent Holland, Sue King, and Annie Dunson, third grade; Richard Lerch, fourth grade; Kenny Brockett, Johnny Metts, Mary Matthews, and Jennie Bennett, fifth grade; and finally Mickey Ramsey and Harry Kuleski in the sixth grade.

As we entered Junior High we grew by leaps and bounds with the following students being added in the seventh and eighth grades; Robert Abbott, Nathan Bruce, Nancy Fleurie, Robert Hoskins, Bebe Moody, Gloria Moore, Jack Westbrook and Tommy Polk. We rapidly made ourselves known as Allida Tucker and David Brown won the eighth grade Citizenship award.

Our luck held with us as we were the first Freshman Class not to be initiated. Our Freshman float in the Homecoming Parade was judged the best.

"Not Finished—Just Begun" was chosen as our motto in our Sophomore year along with chrysanthemum as our flower and green and gold as our colors. Our roll still increased with the addition of Jim Brown.

To start off our Junior year we added Bob Kent, Alton Ford, Arnold Choate and Margie Schatz to our roll. We broke all records with our magazine sale. As a result we finally had enough money to put on the Junior-Senior Prom, **Celestial Gardens**. After the completion of this year we lost two of our hard-working class members, Nell Johnston, and Gail Wadsworth, to Florida State University. They had been with us since the first grade.

The twelve original members and the others who were lucky enough to become members of our class finally made it—We are Seniors!!! Our growing pains finally ceased with the addition of Eric Morse, Evelyn Herrington, Sue Chomey, and Charles Hodges to our roll. Our motto should have been "Work! Work! Work!" as that was all we did to try to earn enough money to go to the New York World's Fair in May. With the help of a group of understanding parents we had a successful bar-b-que, many bake sales and several other money-making projects. After returning home from a fabulous trip, on May 29, 1964, we walked down the aisle to receive our diplomas with our motto in our minds—"Not Finished, Just Begun."

JUNIOR MAGAZINE DRIVE

This year's magazine drive was a whopping success. From the time Mr. Saunders talked to us until the drive ended, the talk was magazines, magazines, and beating last year's class. They hit a high \$1,634 and said that we'd never surpass them. We surprised them — \$1,765.42 was our total. The top salesmen, who were honored with stuffed animals and silver dollars were:

Elbert Tucker	\$280.09
Albert Johnston	265.21
Heidi Eisenbach	230.64
Walter Townsend	206.92
Brenda Aaron	134.98

MISS BUNNELL HIGH

The seventh annual Miss Bunnell High Contest was the event of Saturday night, February 22, 1964.

The five judges met each of the thirty two contestants at the interview on the Wednesday night preceding the contest. The judges were Mrs. Reynold Hoover, Mr. Ray Mercer, Mrs. Myrtle Rice, Rev. Howard Porter, and Miss Eloise McClure.

The events of the night of the contest began with a banquet in the school cafeteria. Rev. Thomas Pinner was the guest speaker for the event. Other speakers included Mrs. Emma Murray, Tri-Hi-Y sponsor, Linda Cody, Tri-Hi-Y president, and Sharon Townsend, Tri-Hi-Y Chaplain.

The Miss Bunnell High Contest began at 8:00 in the gym with Mrs. Joann Crews as Mistress of Ceremonies. While the judges made their decisions, entertainment was provided by Mrs. Nana Hilsenbeck, who sang a vocal solo; Mr. and Mrs. Walter Creal, who did piano and banjo numbers;

and Miss Minnie Deen, who did a tap dance routine. Last year's Miss Bunnell High, Susan Carle, presented the traditional outgoing speech.

This year's Top Ten in the Miss Bunnell High Contest were: Jennie Bennett, Margie Blakely, Linda Cody, Nancy Fleurie, Gloria Johnston, Kandyce Lovell, Mary Pache, Sharon Townsend, Allida Tucker, and Nancy Wilson. From the Top Ten Miss Bunnell High and the three runners-up were selected.

Susan Carle crowned this year's Miss Bunnell High, Allida Tucker. The Tri-Hi-Y Sweetheart, Bebe Moody gave her the traditional kiss. Kandyce Lovell was the first runner-up, Jennie Bennett, second and Nancy Wilson, third.

Everyone was sorry to hear that Ida Allen could not attend the contest—she came down with the mumps the day after the interviews. This year's seventh annual Miss Bunnell High Contest was a real success.

BOYS' STATE

The 1963 Boys' State delegates, Kent Holland and Bebe Moody, from Bunnell were sponsored by the American Legion post of Flagler County.

During the week more than 500 juniors from all sections of the state met and formed complete City, County, and State government. Participants were chosen on the basis of character, scholarship, and leadership ability.

Distinguished speakers of the week were Governor Farris Bryant, Speaker of the House Mallory Horn, and various members of Governor Bryant's Cabinet.

1963 HOMECOMING

Homecoming 1963, as usual, was a bustle of activity and excitement from start to finish. Everyone worked hard in preparation and the traditional pep rally on Thursday night proved a success, with the cheerleaders leading the cheers, the snake dance, and the burning of the Dunnellon Tiger.

The parade provided an excellent start to Homecoming Day, October 25. It was led by our "Biggest Little Band in Dixie" and a "carload" of cheerleaders. The hard work of our clubs was seen in the decoration of the cars, with the Library Club capturing first place honors.

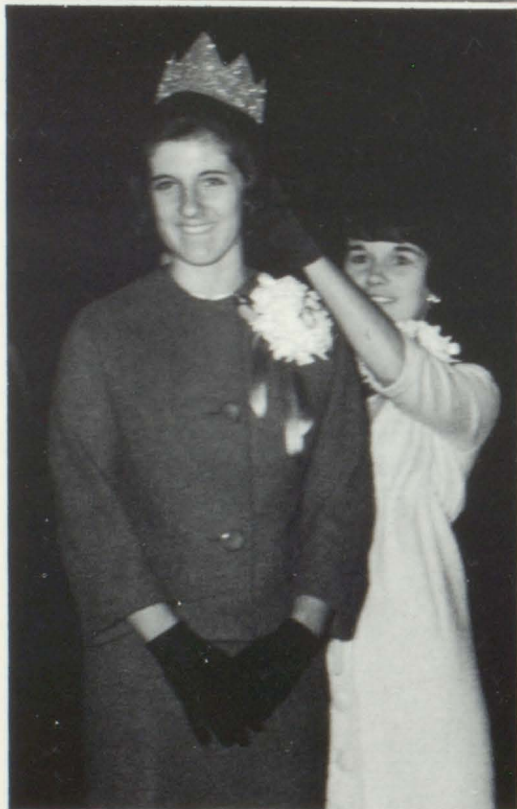

The floats demonstrated the high spirits of the Bulldogs. The Seniors won first place with the theme "Tame the Tigers." The Sophomores were second with a motor-run, over-sized Bulldog, and the Juniors were third with the float carrying the Homecoming Queen candidates—"Victory for Royalty."

The climax, besides the football game, came with the crowning of the King and Queen. The Freshmen candidates Linda Cody and Robert Abbott, Sophomore candidates Jennie Bennett and Tommy Polk, and Junior candidates Sharon Townsend and Robbie Tucker formed a fine looking court as 1962 Homecoming Queen, Janice Lovelace crowned the Homecoming King and Queen sponsored by the Senior Class—Bebe Moody and Allida Tucker. As a relaxing conclusion, the Juniors sponsored a dance. It was a great success with the help of the "Swinging Temptations" who provided the music. The Seniors were somewhat solemn realizing that this was their last Homecoming. It was a memorable occasion and may Homecoming 1964 be the same.

BUNNELL 33

KEYSTONE HEIGHTS 0

The Bulldogs began massacring the Keystone Indians when Kuleski swept left end behind fine blocking and sped 91 yards for the first touchdown in their first home game of the season. Polk came through with a second score with a 35 yard blast. Both PAT's failed and the halftime score was 12-0. In the third period Polk again roared for another tally; this time for 15 yards. Elbert Tucker passed to Kuleski for the PAT. Defense was rock hard all night and contributed a touchdown when Moody ran back an intercepted pass 65 yards in the final period. Moody came back with a 39 yard run for his second TD. Abbott and Kuleski secured the PAT's.

BUNNELL 38

ST. JOSEPH 0

Victory number 3 was easiest for the Bulldogs as they blanked St. Joe behind outstanding all-around play. Polk scored the first touchdown from 7 yards. Moody then lugged leather for a 64 yard 6-pointer, and Polk came back with another short snort to make it 18-0 at the half. Elbert Tucker opened the last half's supply of touchdowns with a 1 yard plunge. Polk chalked up the PAT. Tucker then passed to Cauley for another score and also made the PAT. Abbott burrowed 6 yards for the final score. Tucker helped halt St. Joe for the Bulldogs by stealing 4 passes while Polk and Hornsby intercepted 1 each. This was the Bulldogs' most productive game.

BUNNELL 19

BALDWIN 6

Archival Baldwin came to town and jumped into an early 6-0 lead in the first period. Motes of Baldwin got to the 13th yard line and in the next four plays only got to the 9 yard line. The Bulldog line held them and they had to give the pigskin up on downs. Moody grabbed it and raced 52 yards to tie the score. Elbert Tucker put the Bulldogs in front with an extra point pass to Kuleski. The Bulldogs couldn't get started in the second period and punted. Cauley raced downfield, rammed into the double safety, caused a fumble, and Jim Brown recovered it and ran 38 yards for a touchdown, making the halftime score 13-6. Kuleski wound up the scoring with a 24 yard touchdown carry in the third period. Coach Manuel said that this was the greatest team effort he has seen since he has been in Bunnell.

BUNNELL 33

D&B 0

The Bulldogs secured their fifth straight victory with three first period touchdowns. Moody hit Elbert Tucker with an 18 yard scoring strike, which was set up by Kuleski, who recovered a D&B fumble. Kuleski speared an enemy pass and rang up another score with a 1-yard plunge. Defense was again very important for us, as Moody gathered in a punt and ran it back 60 yards for another

score. The halftime score of 18-0 was raised another 6 notches when Elbert Tucker passed from 15 yards to brother Robbie. The final touchdown came when Elbert Tucker skirted right end. Polk plunged for the extra point and two more points were added with a safety. The Bulldogs were well on their way to the top after this win.

BUNNELL 0

DUNNELLON 14

Homecoming festivities fell off somewhat after a bigger Dunnellon team came to town and shut the Bulldogs out. This was not a conference game, however, and the Bulldogs conference record remained unmarred, though they were disappointed at not being able to win homecoming.

BUNNELL 19

FATHER LOPEZ 0

The Bulldogs continued their conference terrorizings by trouncing rival Father Lopez. Moody sneaked over from the one and Kuleski split the uprights to give Bunnell a 7-0 lead at halftime. Kuleski ran one touchdown and received a pass from Elbert Tucker for another to wind up the scoring. The Bulldog defense, fired up for this match, was extremely tenacious and rugged.

BUNNELL 6

ORANGE PARK 21

Again meeting a non-conference team, the Bulldogs were again drubbed for a loss. Polk ground out the only Bunnell touchdown from the one yard line. The Bulldogs still were the best team in their own league.

BUNNELL 13

HASTINGS 6

The Bulldogs faced a fierce Hastings club and were outstripped both in first downs and rushing yardage. The key to victory was found in a stellar Bulldog defense. Elbert Tucker flipped a two yard scoring strike to Kuleski in the first period, but Hastings matched it in the second. Going into the second half Moody broke the ice with a 12 yard touchdown run. Kuleski kicked the extra point. Mike Hornsby played an outstanding defensive game bringing down 21 Spudsters on lone star tackling.

BUNNELL 27

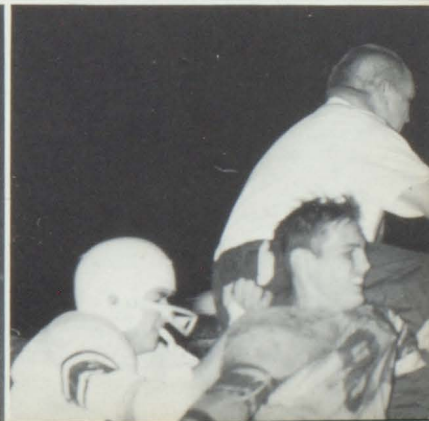

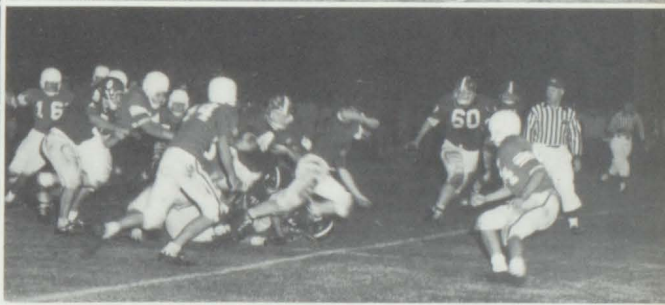

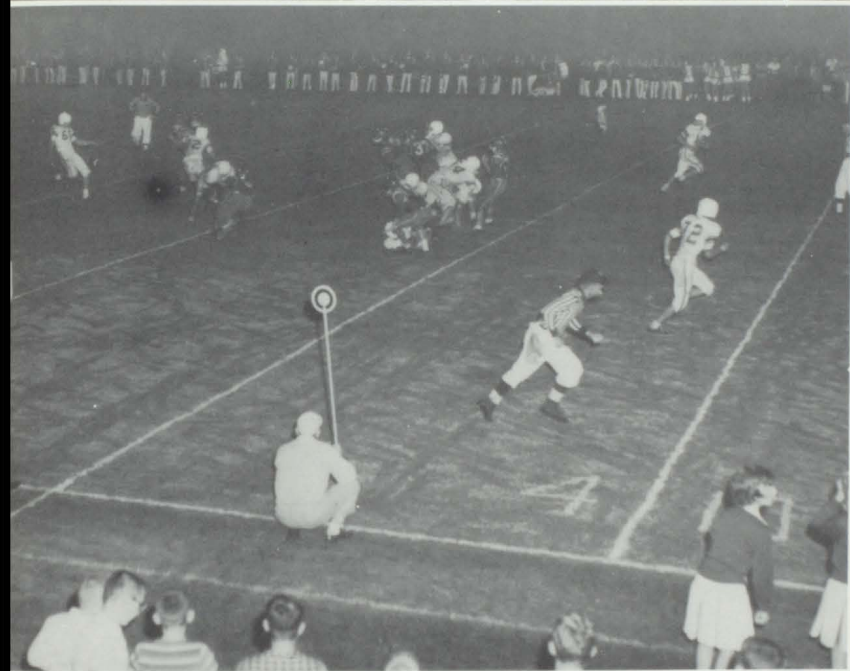

CALLAHAN 0

With this victory the Bulldogs won their first conference title in a decade and ended their season with a record of 8-2. The renowned Bulldog defense pushed Callahan into their own zone for a safety early in the first quarter. Seniors Harry Kuleski and Bob Abbott scored all the touchdowns for auld lang syne. Kuleski took the first kick off and sprinted 55 yards for a touchdown, and later on he hauled in a 10 yard scoring toss from Elbert Tucker. Abbot's touchdown came on the three-yard rip. This season's job was well done by the Bulldogs. Our thanks and remembrance will remain with them from all of us.

WINTER BAND CONCERT — February 20, 1964

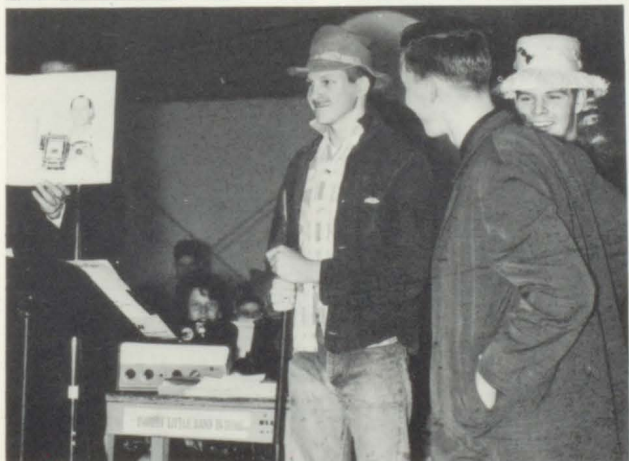

On December 4, 1963, the FHA and the Home Ec. Department combined their efforts to present a program on the proper dress for school. To illustrate the idea that certain clothes are very proper for some occasions but not at school, they gave a play in verse entitled "What It Was, It Was a High School." They had a green Martian girl, whose spaceship had just landed, wondering around confused about "where on earth" she has landed. Judging from the clothes of the earth peo-

ple she sees, she thinks she is at Coney Island, then Hollywood, a teenage party, a New York City nightclub, and even among the beatniks of Greenwich Village. When she finally discovers the flag pole, the books, and the apple for the teacher and realizes where she is, she says,

*"But I don't really feel too bad
About mistaking where I could be
I think some of these earth girls
Are just as confused as me."*
