Foreword

We are all proud of our school, and the staff of the 1969 Pinea is proud of the attempt we have made to put BHS into "picture and word". This is hard to do -- for "spirit" is difficult to photograph, and "good times" are hard to describe. But we have made the attempt; and we hope that you can be proud too. We present to you . . . THE 1969 PINEA.

Charles Harry Clegg

August 29, 1951 – June 11, 1967

“A moment is forever when remembering the good times had with a friend.”

The 1969 Pinea is dedicated to the memory of Charles Clegg. Although he is no longer with us, he remains always in spirit and memories.

Our World is the World of. . .

School is the daily miracle. Each day we live through many experiences. On our faces are expressed varied emotions.

HAPPINESS is. . .passing the test that you didn't study for...being first in the lunch line...sneaking into the library without a pass...driving your very own car to school ...having a fire drill during that most dreaded class...and hearing the last bell that will ring on June 2.

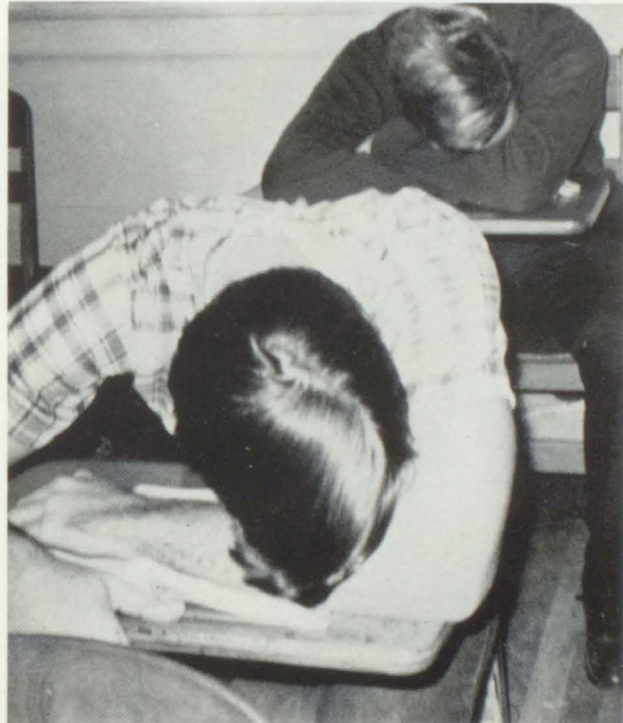

SADNESS is. . .having first period class in the gym and second period class on the top floor...losing a homecoming game...transferring to another school...losing your best friend...and to many seniors, sadness is graduation.

ENTHUSIASM is...a successful club...a pep-rally and lots of cheers...school on Friday...decorating for Miss Bunnell contest...building a homecoming float.

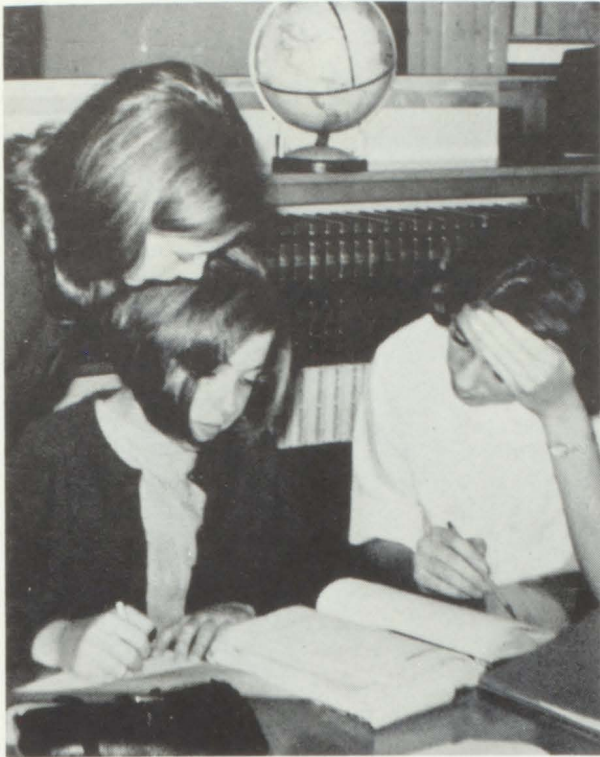

BOREDOM is...study hall for an hour with nothing to do...the drone of the teacher's voices as the day gets longer and longer...school on Monday...lectures.

NOISE is...having a substitute teacher...
the cafeteria at noon...playing in
gym...typing class...having a party...drums
and brass in the bandroom...cleats on the
sidewalk...the hall between classes.

SILENCE is...walking into the middle of
a class...when the teacher asks a question
and no one knows the answer...the school
grounds on a Saturday afternoon...Mr.
McGriff walking by the door...the losers
dressing room...and an empty hall.

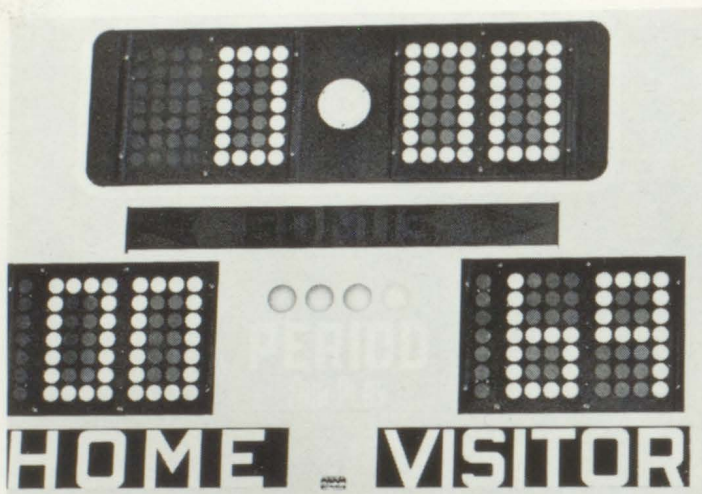

WORK is...hours spent in study and concentration...setting up those intricate chemistry experiments...finally learning that algebra equation...finishing a home ec. dress...producing TINK...a completed page of the annual.

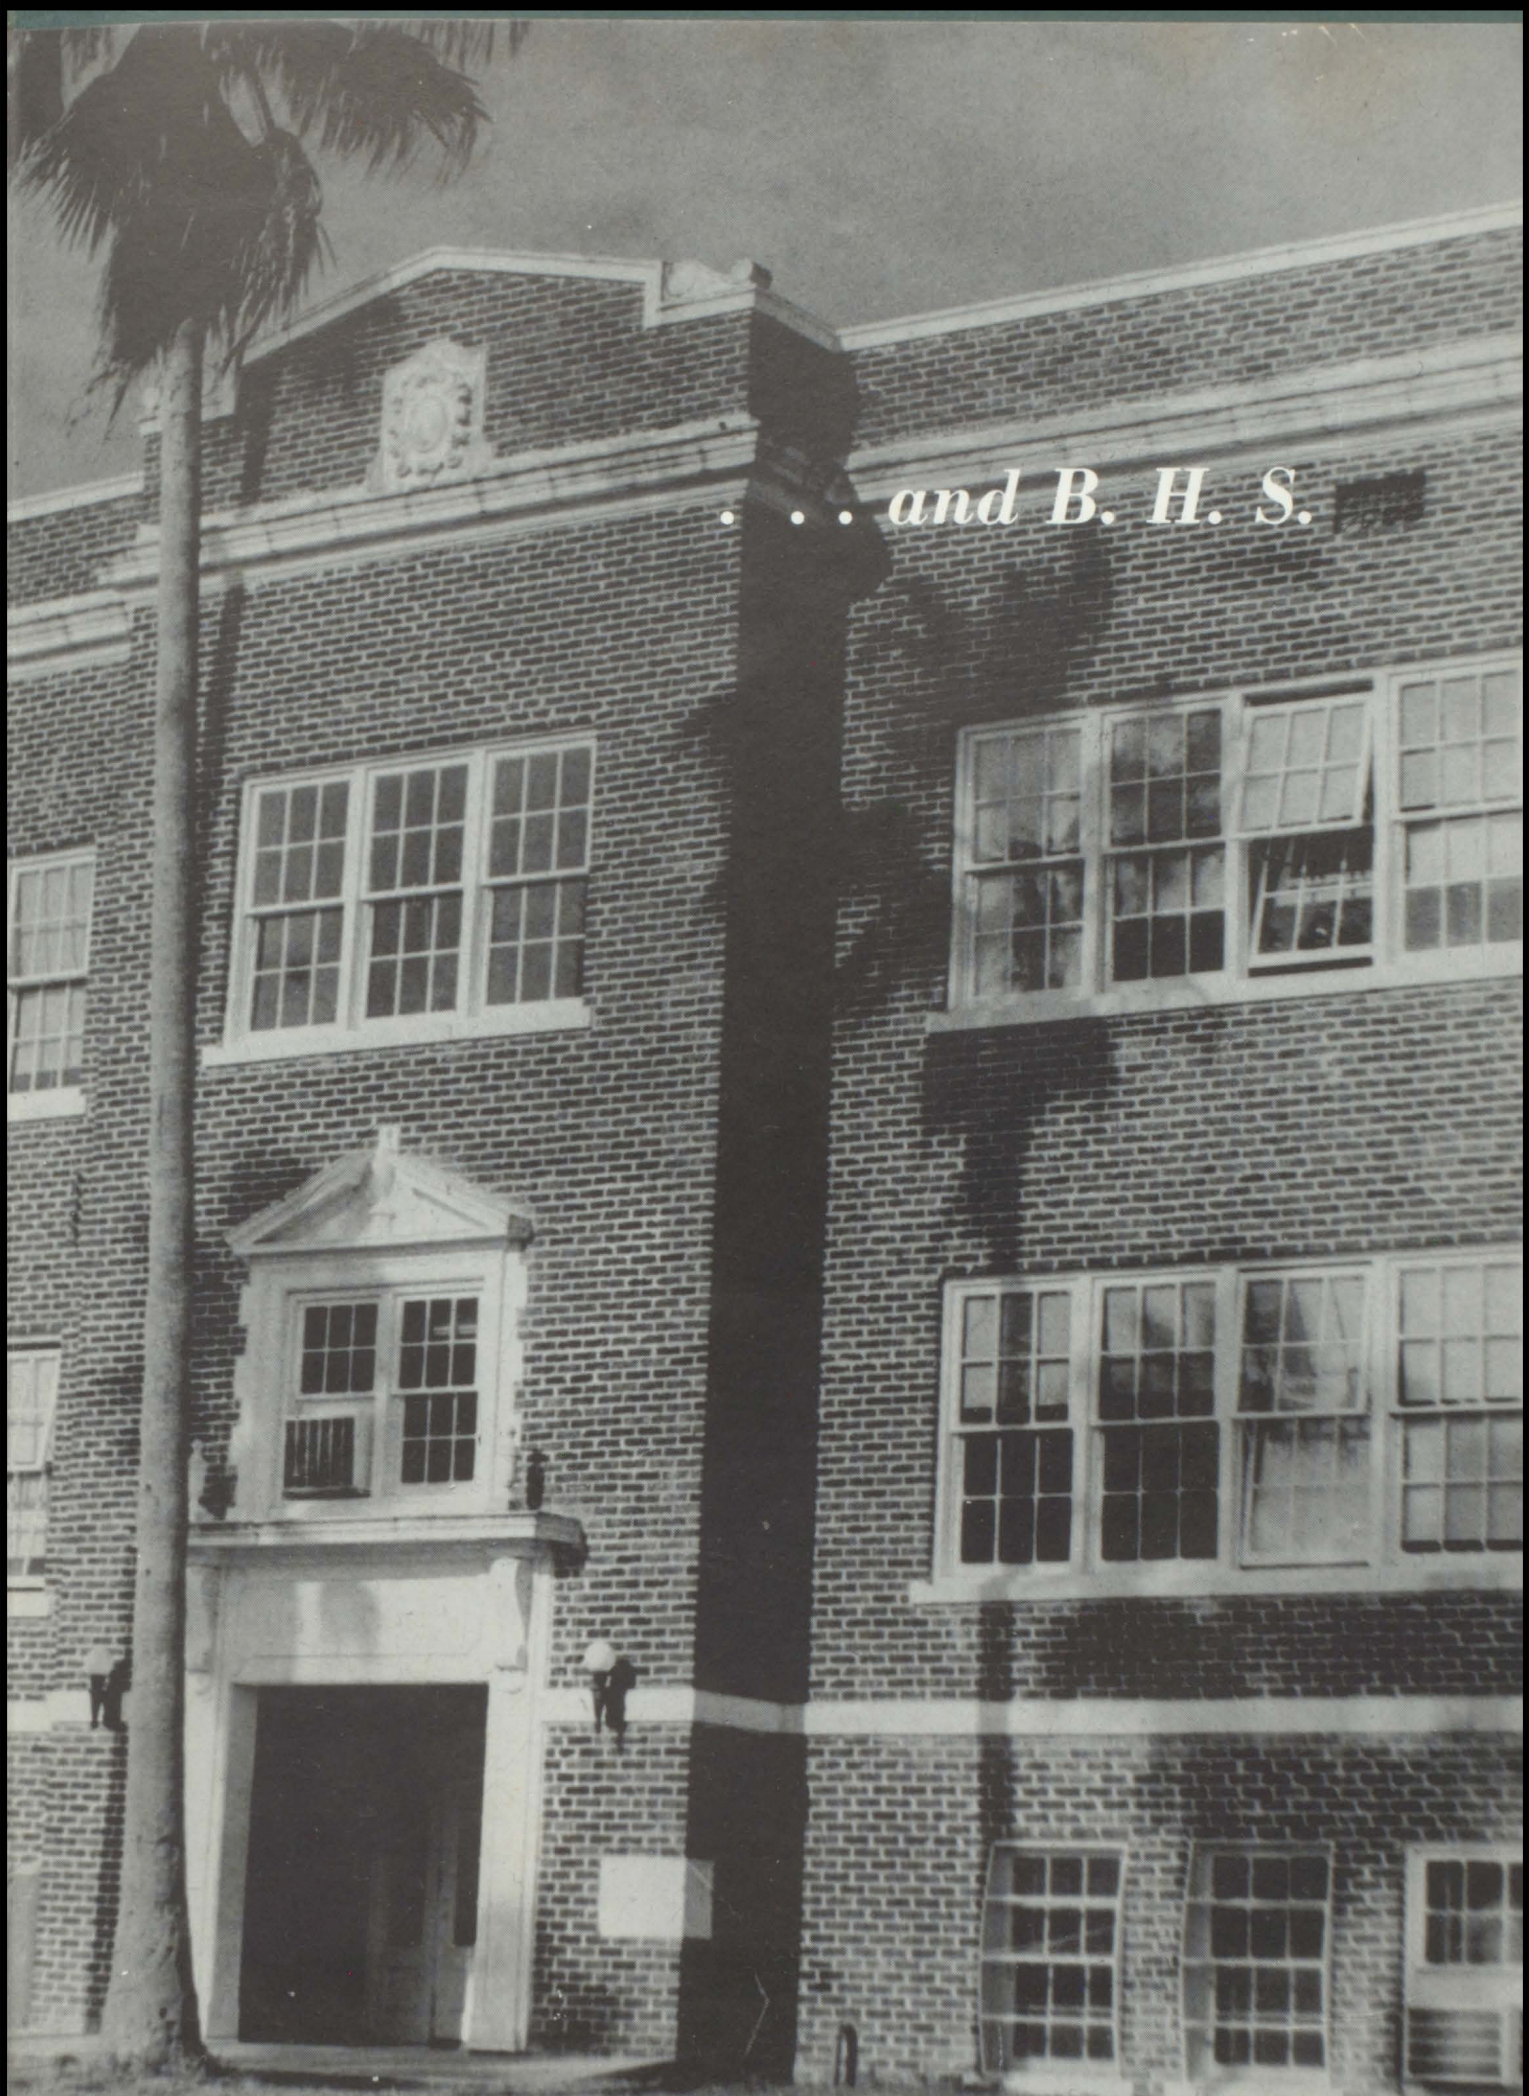

PLAY is...having eraser fights...a football game after lunch...telling jokes in the library...riding the book-wagon...a trip down the banister.

VICTORY is. . . knowing all the answers to the questions...making it through a whole day without getting in trouble...one more win to add to that long list...being conference champs...beating our worst rivals.

DEFEAT is...thinking that the whole world is mad at you...flunking a semester test...being restricted for the weekend...going to school tired and sleepy...having all of your teachers yell at you all day long...losing the last game of the tournament.

... and B. H. S.

WE SENIORS have accomplished much during the years that we have been at B. H. S. We have been across many high bridges, around sharp corners, and have walked along the road well-traveled. Our Senior year has been the greatest. We played our last football and basketball games and attended the last Homecoming that we could really be a part of. On June 6 -- we shed a few tears as we completed our tasks and graduated from *BUNNELL HIGH*. We can go no further than our knowledge and ambition will take us. Now we go forth -- success or failure -- it is up to us.

Class History

In September of 1956, the original thirteen quietly walked into the kindergarten rooms at BHS and began the long, hard struggle to obtain an education. Those thirteen were: *George Allen, Kathy Bourne, John Cody, Janet Cook, John Cook, Robbie Creal, Cindy Durrance, Chuck Herr, Hal King, Mary Anne Steflik, Brenda Townsend, Carol Townsend, and Colleen Tucker*. With great pride, we moved into the first grade. This year, along with learning to read, write, and "count to 100" came the Tom Thumb Wedding. We participated in the first grade play centered around a colonial theme. And in the second grade, our class was honored to have chosen as senior mascots, *Janet and John Cook*. This year, we got to put on the Christmas play for the elementary classes, and proved to be promising actors in "Santa's Workshop". Third grade brought to us two new students, *Gary Buckles and James Robertson*. In the fourth grade, *Bill Harris and Mike Robinson* joined us. Our fifth grade class trip took us to Animal Land. This year, we improved our mathematical skills as we fell under the guidance of *Mrs. Laura Morris* and participated in daily "board drills". The fifth grade also brought to us *John Taylor*.

With great anticipation of what was to come, we entered the seventh grade and thought that by now we were "almost" grown up. We could change classes with the older kids now! This was really living! Our class grew considerably. *Cynthia Harper* joined us, as did six students from Flagler Beach: *CeCe Eberhardinger*, *Dave Johnson*, *Jimmy McNab*, *John McDaniel*, *Buddy Moore*, and *Terry Rawlins*. In the eighth grade, *Colleen Tucker* and *Charles Clegg* were honored by being selected for the American Legion "Good Citizenship" award.

The ninth grade took us into high school, and gave us three new students, *Jeanne Harbert*, *Genece Minshew*, and *Cliff Taylor*. Our Sophomore year gave us a few lessons in dissecting animals as we took biology. In our Junior year, many of us suffered through chemistry, and realized that we would not become famous scientists! This year was an exciting one for us as we gained fourteen new students: *Warren Williams*, *David Farmer*, *Saul Irvin*, *Tommy Jefferson*, *Matthew Neal*, *Frankie Wilson*, *Larry Johnson*, *Evelyn Cooper*, *Lillie Hall*, *Wylene Horne*, *Lula Jones*, *Barbara Thomas*, *Nettie Thomas* and *Rachel Thomas*. In the fall, our class rings were ordered and after we returned from the Christmas vacation, we received them. The National Merit Scholarship Test was a headache, and we anxiously awaited the results of the test. Our girl's intramural basketball team won the final game and was 1968 champ.

From the beginning of our SENIOR year, each of us seemed to realize that this was to be a very important part of our lives. Each day was full of fun -- and mischief! "Our" last homecoming was a memorable occasion for all of us. *Janet* and *John Cook* were selected as queen and king. Senior pictures were taken in October, and when they were received, moans and groans could be heard all over campus! In March, our boys' intramural basketball team became 1969 champ. Our year was concluded in SENIOR week, and the climax of 13 years of fun and work on June 6, as we became alumni of BUNNELL HIGH SCHOOL.

We have come to learn...and to grow in mind...but while we are here we join in and become a part of a great school. Our world is a large one. This year we have opened many new doors. Pride glowed on our faces, as we showed off our new class rings. Continuing the tradition, we Juniors again sold magazines, and in the spring, found out how much we still had to learn from the NMSQT. All of these activities have brought us close to the end of our high school years, and in spirit we look forward to our Senior year as one of the greatest most fun-filled of our lives.

This has been a big year for us. Some of us played our first game with the Varsity teams, even though most of the time we viewed from the bench! Biology lab introduced to us the fascinating world of animals. The headaches of Typing I and World History -- these are obstacles that we have met. Each day is a new experience for us. Two more years -- happy ones we hope -- and then we will be on our own in a huge exciting world.

It is really hard to believe -- but we are finally in high school. We have come a long way since kindergarten, and can now look down on the underclassmen. Nothing sounds as good to us as the word FRESHMEN. New teachers to learn from -- new friends to make. We have many interests now -- ranging from clubs and sports to books and knowledge. Our lives are a series of stair-steps. One most important step has been taken -- and three more will bring to a close our high school years. We have not far to go.

In every group there must be leaders...people who are willing to give of their time and talents to make a better school and community. Band Officers

Producing half-time shows during football season kept the band busy, but additional activities served to fill those precious Saturdays. A trip to Jacksonville found them playing in the Armed Forces Day Parade; and the holidays took them to Holly Hill for the Christmas parade. The band stood before its largest audience at the Gator Bowl for the AFL East-West All-Stars game.

Homecoming - 1968

Homecoming 1968, sponsored by the Student Council, began on Thursday, October 24, with a concert in the gym by the Daytona Beach Junior College band. Two members of the band, Benton Eisenbach and Robbie Durrance, student conductor, are 1966 graduates of Bunnell High. The band was received with much enthusiasm and interest, and provided an excellent introduction to the Homecoming festivities. Thursday afternoon and night were a mad rush to complete floats for the parade. The snake dance and pep rally were a source of spirit for the team, with loyalty to the Bulldogs shown by the burning of the D & B "Dragon."

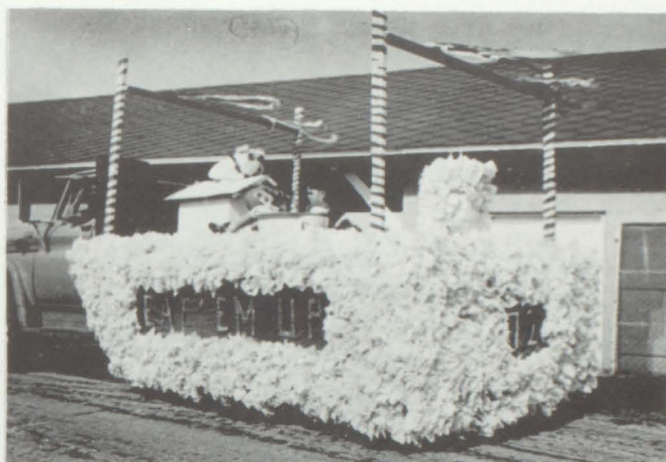

Friday afternoon the Homecoming parade was held, with the Biggest Little Band in Dixie in the lead, followed by floats and cars from every class and club.

Everyone worked very hard this year on floats and cars for the parade. For the judges, Mrs. Margaret Clegg, Mrs. Betty Steflik, and Mr. Ray Mercer, it must have been a difficult decision to make. The candidates for Homecoming Queen were lovely on the Junior Class float entitled "*Moonlight and Roses.*" Seated with them were the 1967 Homecoming Queen, Mrs. Maria Knight, and the crownbearers, Bobbi Jean Sizemore and Raymond Lewis. Little Miss Victory rode on the eighth grade float, "*Slay 'Em*".

The cheerleaders took first place in the car division with hard work going into their car entitled "Eat Up the Dragons". The Foreign-Language Club took second place honors with their car. The Seventh grade entered a car, "Dragon-Eater". "Blow 'Em Up, Bulldogs" was the theme of the Tri-Hi-Y car, and the Beta Club used the slogan "Swallow 'Em Whole". The Junior Varsity Cheerleaders made good use of the slogan of the year, "Sock It To 'Em, Bulldogs". Other organizations with entries in the parade were the Future Homemakers of America, Senior Future Teachers of America, and the Junior Future Teachers of America.

The Homecoming game proved to be a thrill to every Bulldog spectator. During the half-time, the Bulldogs took to the sidelines to become part of the anxious crowd waiting to hear the announcement. The Biggest Little Band in Dixie, under the direction of Mr. Thomas Odadzin, marched onto the field and formed a heart to set the mood for the crowning of the Homecoming King and Queen. The eight candidates walked onto the field followed by Mr. Jim Akins and Mrs. Maria Knight, the 1967 King and Queen, and the Crownbearers, Raymond Lewis and Bobbie Jean Sizemore. Sponsored by the Freshmen class were John Cody and Colleen Tucker; candidates of the Sophomore class were Bill Harris and Brenda Townsend; Junior class candidates were John Cook and Janet Cook; and the candidates of the Senior class were John McDaniel and Mary Anne Steflik. They made a very distinguished looking court; and waited only a few seconds to hear that John and Janet Cook were the 1968 Homecoming King and Queen. They were crowned by Maria and Jim, and walked back to meet a very happy crowd. The game ended with a score of 33 to 18; bringing a very happy end to the 1968 Homecoming festivities.

Twelfth Annual Miss Bunnell High Contest

To many of the little girls in the audience, the contest was sure to have been a fairy tale, but to each of the twenty-one participating, it was real and exciting. The week preceding the contest on February 22, 1969, was filled to the brim with preparation. Song practice, interviews, and decorating took up hours of time -- Saturday evening found the girls nervous and impatient.

Mrs. Norma Turner, serving as Mistress of Ceremonies, introduced the five judges, Mrs. Victor Buckles, Mrs. Lou McKeever, Mr. Henry Bengel, Mr. Ray Mercer, and Mr. Jim Nicol.

Mrs. Turner then introduced each of the contestants. As the judges retired to select the "Top Ten" finalists, the audience was entertained by the contestants as they sang "*A Dream Is A Wish Your Heart Makes*", chosen to fit the theme of the contest "*Wish Upon A Star*". Miss Helene Bryan entertained with a monologue entitled, "*Would You Care To Waltz*". Miss Suzie Peterson presented a routine of baton twirling. Miss Colleen Tucker gave a monologue "*To A Sleeping Beauty*". and Miss Kathy Bourne, a vocal solo "*Battle Hymn of the Republic*". Additional entertainment was provided by Marvin Clegg and Fredrick Fruits at the piano.

The judges returned and named the ten finalists -- Helene Bryan, Kathy Bourne, Jane Green, Lillie Hall, Jeanne Higginbotham, Marcia Johnston, Ruby London, Brenda Townsend, Carol Townsend, and Colleen Tucker.

Selected as Miss Congeniality by her fellow contestants was Colleen Tucker. She was presented with a bouquet of flowers.

Selected by the judges as third runner-up was Jane Green; second runner-up, Colleen Tucker; and first runner-up, Carol Townsend. James Robertson, Tri-Hi-Y Sweetheart, crowned Kathy Bourne as Miss Bunnell High of 1969. A lovely queen once more graced the throne -- radiant beneath the traditional crown and cape of Miss BHS.

The five judges that were faced with the difficult decisions.

The four little misses with their priceless treasures are: Leta Knight, Mimi Gurnee, Teresa Montana, and Katie Murray

It was a pleasure to have as Mistress of Ceremonies, Mrs. Norma Turner.

Marvin and Frederick, alternating at the piano, provided music throughout the program.

Tuesday evening, February 18, was the date of the Miss BHS banquet. The Flagler Beach Woman's Club hosted the dinner. The judges and contestants were given a chance to get acquainted; and the judges scored the girls at this informal session of the contest.

The contestants and their sponsors are: (sitting) Ruby London, *Future Teachers of America*; Sharon Pache, *Chicken Pantry*; Janet Scott, *Beauty Hut*; Carol Townsend, *Land 'n' Sea Fashions*; Elayne Tucker, *Cattleman's Assoc.*; Barbara Wilson, *F. B. Pier Restaurant*; Colleen Tucker, *Senior Class*; Brenda Townsend, *Flagler Woman's Club*; Lady Rodgers, *Rodgers Grocery*; Pam McDaniel, *Wadsworth Lumber Company*; Gwen King, *Junior Class*. Standing are: Helene Bryan, *Finesse Club*; Jane Green, *Fruits Jewelry*; Susan Hall, *Band Parents*; Wylene Horne, *Senior Chorus*; Marcia Johnston, *Student Council*; Marian Irvin, *Atomic Beauty Shoppe*; Jeanne Higginbotham, *Flagler Tribune*; Lillie Hall, *Tri-Hi-Y*; Janet Cook, *Bunnell Lions Club*; and Kathy Bourne, *Senior Citizens*.

Everyone stopped-and-listened-as Kathy gave a new rendition of "The Battle Hymn of the Republic."

Colleen's monologue brought tears to a few eyes, and to many, a longing to "just once more" be a "little girl"...Each eye was on Suzie as she performed--she can really twirl those batons!...The humor of Helene's monologue relaxed the contestants as she conversed with her "make-believe" dance partner.

The moment has arrived -- Carol, Colleen, and Jane graciously accept their trophies. The new Miss BHS is presented with her trophy from James, the sweetheart of the evening. A radiant Colleen, receives her "Miss Congeniality" flowers; and the evening came to an end with the crowning of Kathy as Miss Bunnell High of 1969.

Tri-Hi-Y members brought canned foods, and a turkey was purchased to complete the basket.

In curiosity they grope...for knowledge, adventure and wisdom. They are searching for fragments of a world unfamiliar and new to them. Our sense of touch comes alive through the fingertips. Music, art and science become realities. Impatient and anxious -- our hands learn of life and are a doorway into many beautiful things.
