"Love is universal. Love is the movement of life. Anything in life I find beautiful no human being or society, both being what they are, has the right to condemn any kind of love I feel or my way of expressing it, if I am being sincere, sincerity being the honest realization of myself, and if there is no hurt or pain intentionally involved in my life or in any life my life touches. I want to become a truly loving spirit. Let my words, if I must speak, put forth their true meaning, but only when speech is silent does a person project the great depths of his sensitivity. In any action made you are saying a thousand words."

MATTHEW BRUCE MONSEES

"To live content with small means; to seek elegance rather than luxury and refinement; to be worthy, not respectable, and wealthy, not rich; to study hard, think quietly, talk gently, act frankly; to listen to stars and birds and babes and sages with open heart; to bear all cheerfully, do all bravely, await occasions, hurry never. Class History

In the fall of 1961, fifteen kindergartners started the long hard climb to get where they are today. Those brave fifteen were Johnny Bratcher, Chip Brooks, Rick Cody, Billy Creal, Chuck Harding, Gary Harris, Debbi Holdridge, Rocky Hunter, James Jarosz, Dale Johnson, Robin Pellicer, Rudy Shamblem, Susie Sparkman, Craig Wilder, and Wally Wilkins.

Entering first grade at Flagler Beach Elementary were Mike Abbott, Pam Thomas, and Terry Sryker, with Hattie Bass, Stella Davis, James Dudley, Loretta Duggina, Charles Elliot, Johnny Emanuel, Frank Giddens, Mahalia Godwin, Annie Hall, Sylvia Hall, Shirley Hill, Maggie Hymon, Marion Jackson, Don Jefferson, Leroy Jenkins, Sandra Johnson, Andrew Jones, Jackie Jones, Robin Laster, Donell McCaskell, Clarence Murphy, Carletta Pearson, Gaines Smith, Cornell Steward, George Warren, and Alonzo Williams starting at Carver. Along with our first grade play at Bunnell Elementary we gained two new friends Mike Mikukla and Daniel Steflik.

The next three years brought several new students to our roll - Cathy Mayfield and Mona Wetherington in 2nd grade, Mike Coates and Rod Law in 3rd grade, and Frank Bryan in 4th grade.

Fifth grade gave us another chance to reveal our dramatic talents with our play "Rumpelstiltskin."

During Sixth grade we gained Jim Nichols to see us through our last year of elementary school.

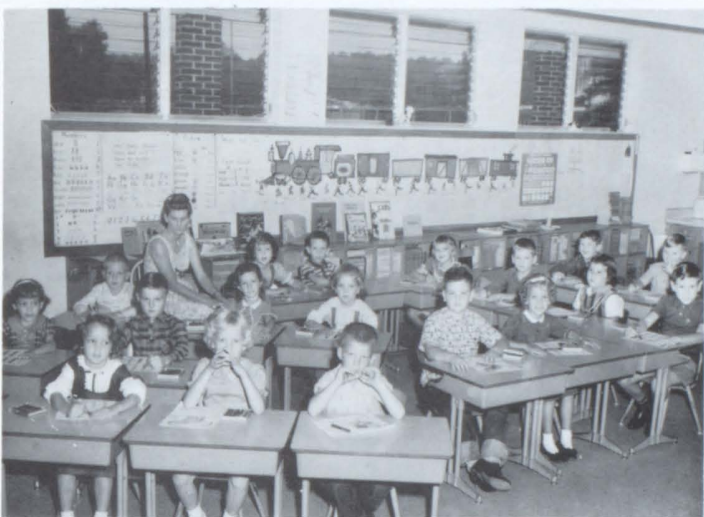

In our first year of Junior High School we gained two new friends, Laura Beveridge and Roberta Mitchell.

Eighth grade found us all together in one school and with two more friends Matthew Monsees and Larry Tanner. That same year Cathy Mayfield and Chip Brooks won the American Legion's annual "Good Citizenship award."

Our Freshman year brought us many headaches as we struggled through Mrs. Douglass' Algebra I problems.

Our sophomore year meant work - for Biology was a new and exciting experience, to help us with our new discoveries were Paul Graham, Coy Hale, Ila Pryor, and Dennis Wolk.

Our Junior year got off to a good start with our Magazine Drive a success, class rings ordered, and Roberta Mitchell as the new Miss Bunnell High School. Along with the prom, and the arrival of Terry Brickey, Dale Kempa, Cheryl Smith, and Miriam Sterthaus, we finished our Junior year.

We began our Senior year with the idea it would have to be the best of our school years. Sharing our last year with us were Julie Alden, Eileen Callendrello, Arleatha Grant, Lori Normann, Larry Sowers, Paul Young, and Peter Young.

For the first time in many years, the football team won the District Championship, also the basketball team competed in the Regional Tournament.

Soon it was time for Senior Placement Tests with everyone making the startling discovery that maybe we weren't quite as smart as we thought we were.

Homecoming came with our float "Beach the Bucs", winning second place. Debbi Holdridge was crowned as Homecoming Queen during a thrilling halftime show. Although we lost the game, the evening was a happy one.

Soon it was time for Senior pictures and last minute preparations were taken to suddenly become beautiful!

The Beta Club sponsored the annual Miss Bunnell High Contest in January, Seniors Debbi Holdridge winning first Runner-up, and Mona Wetherington, third runner-up.

Spring came with the organization of a baseball team. With new uniforms and plenty of practice the team met the challengers head on.

After several class meetings the decision was made to attend "Grad Night" at Disneyworld on May 31, 1974 for the Senior class trip. Everyone had a good time meeting other seniors from distant places. Individuals and couples really enjoyed the night.

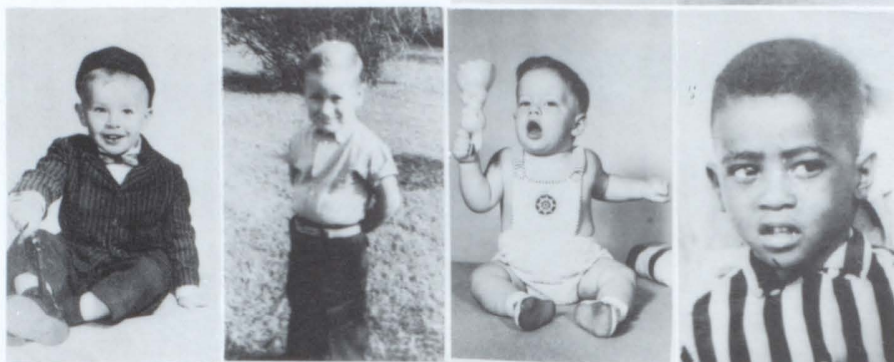

Finally to end the last chapter of the Senior class history 73 senior, mostly tearful, walked down the aisle to be presented with their diplomas. These diplomas are symbolic of our achievement and shall bring back memories. We say "good-bye" to our beloved Bunnell High School and "hello" to a promising future.

Junior Magazine Drive

The Junior Class worked hard to sell \$1,711.95 worth of magazines to make over \$700 profit to help finance this year's Junior-Senior Prom.

Prize winners of the first day of the drive were Richard Miller, 1st place; Susan Clegg, 2nd place; and Kathleen Buckles, 3rd place.

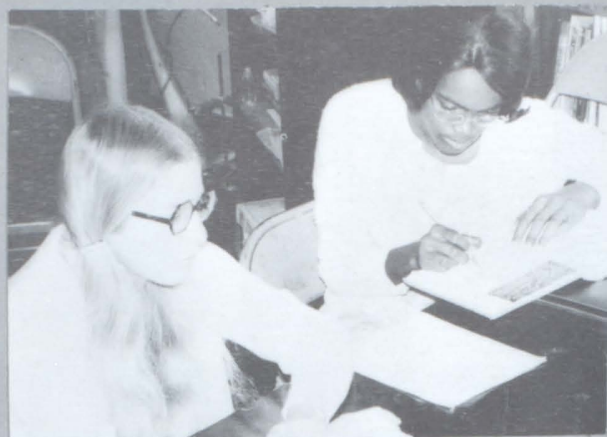

Each salesman who sold five or more subscriptions had the choice of a prize ranging from money to pillows.

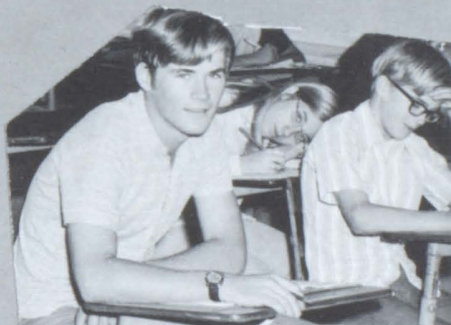

Overall top salesman for the drive was Janelle Revels, who sold a record-breaking individual sales of \$453.84 for the drive. Other outstanding salesmen were Kathleen Buckles, 2nd highest salesman, and Eve Tucker, 3rd highest.

Congratulations to the class of "75" for their spirit and effort on the magazine drive.

Special recognition must be given to Mrs. Mary Broadaway, who assisted the class in their successful venture.

Janelle Revels, co-editor and Eve Tucker, editor are busy working on the next issue.

A group of juniors started out this year on The Spirit Times. With the help of the annual staff the paper was a big success. Mr. Hein contributed countless hours teaching the students the correct way to layout and publish a paper. The Spirit Times was published every 6 weeks.

★ Beta Club Has Busy Year

The Beta Club is a national honor club consisting of students who maintain an A-B average as well as good conduct grades. The club's new sponsor, Mrs. Johnnie Gleason, started the new year enthusiastically. The club had a toy and food drive for the needy at Christmas time. The club sold candy to raise money for the initiation dinner and the convention trip to Clearwater. The convention is for the election of state officers.

The club sponsored the Miss Bunnell High contest. They provided the place, the master of ceremonies, the background, and the entertainment. It was a busy year for the Beta's.

The Beta officers for '73 -'74 were Cathy Mayfield, President; Mona Wetherington, Vice-President; Jackie Jones, Secretary; Pam Thomas, Treasurer; and Matt Monsees, Parliamentarian.

Future Homemakers of America

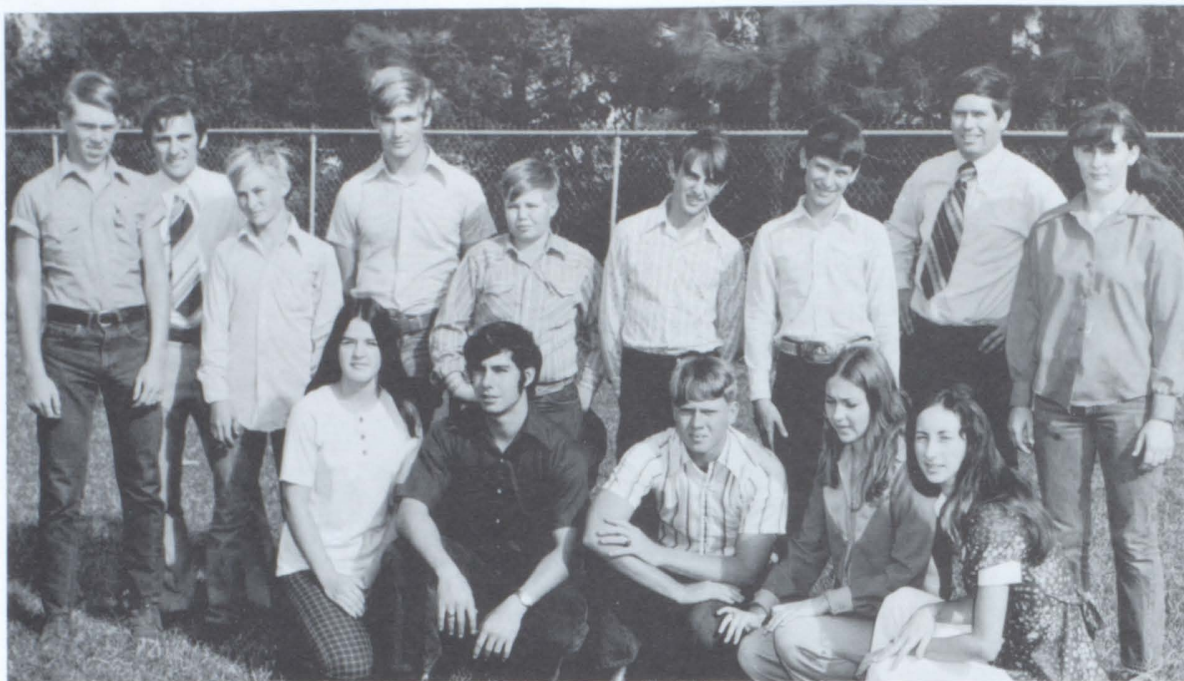

Members of Future Homemakers of America have the goal of helping youth assume their roles in society through home economics education in areas of personal growth, family life, vocational preparation and community involvement. This year at BHS the Future Homemakers have been organized through the home economics classes and activities have been carried out as a part of class work. Members who are affiliated with the Florida and National Future Homemakers of America are Lynn Samuelson, Donnie Hudson, Lisa Samuelson, Cheryl Hoskins, Stella Davis, Miriam Sterthaus, Mary Hamm, Sylvia Hall, Gary Harris, Carole Hardin, Tenna Bailey, Sandra Johnson, Gloria Burnham, Kathleen Buckles, Annette Henry, and Annie Lee Hall.

Activities have been wide and varied during the year. During preschool conference, FHA students prepared and served refreshments to the Flagler County teachers during a meeting. The first week of school the Food Services Classes made apple turnovers and had their first bake sale. They learned as they set up donut bake sales using the commercial donut fryer and dropper—and profits began to add up. This led to two field trips during the year to Daytona food service establishments—and lunch at Morrisons and Lesters paid by their work. Many teas were held during the year for various classes, and in December the first annual FHA Christmas Tea was held for the entire school. One food service class donated part of their profit to provide the items needed in the home economics class. Food Services classes made jello, deviled eggs, and fancy cake decorations for the high school and elementary cafeterias. During American Vocational Educational Week in February, FHA hostesses served coffee and donuts at a display in Citizens Bank, and food services students planned and served two different breakfasts to honor athletic participants in sports. Another field trip and dinners planned by the FHA completed the year.

Band Rates Superior

"The Biggest Little Band In Dixie" proudly made it's comeback this year to reclaim the title that had been debated on for some time. The band not only performed half-time shows at most of the football games and the jamboree, but also led the crowds in supporting the mighty Bulldogs. To highlight the band's year, it received a "Superior" rating at the District V Marching Contest at Lyman High School in Longwood. This event gave the band members enough confidence to finish football season and enough determination to look forward to Concert Season. Our "Superior" rating has proved that great things can come in little packages.

Bulldogs Have Winning Season

The Bunnell Bulldogs had their first winning season in several years under the direction of Coach Buddy Taylor, and assistants James Peterson and Dick Thornton. The team worked hard to win the district championship and to go into the regional playoffs.

The Bulldogs' winning streak started in the Jamboree, when we beat Taylor and held Crescent City scoreless.

After a good week of hard practice, Coach Taylor brought his Bulldogs out to start the first of the seven straight victories over Baldwin.

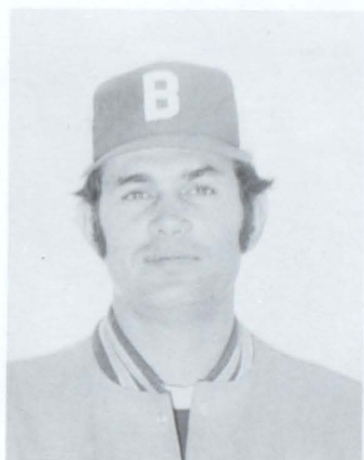

We then traveled to Jacksonville Episcopal to bring home the second victory, followed by five more over St. Joe, Taylor, Florida School for the Deaf, Umatilla, and Keystone Heights, giving the Bulldogs the start of a winning season we could be proud of.

For Homecoming, the team faced a tough team, determined Branford, and lost by one point. Followed by a loss the next week to Crescent City.

Although the team was discouraged by the loss the week before, with our rival Crescent City, we went into the Father Lopez game full of spirit, hoping to achieve a goal.

Gaines Smith picks up tough yardage against Jax. Episcopal.

BULLPUPS SHOW DETERMINATION

A great deal of spirit and hustle was shown in all the JV football games this year. The mighty Bullpups ended the season with 4 wins and 3 losses, winning over Father Lopez and Interlachen twice. This team shows much promise for bigger and better things. Bunnell can look forward to seeing alot more of these boys on the Varsity team in the future.

Varsity Basketball Team

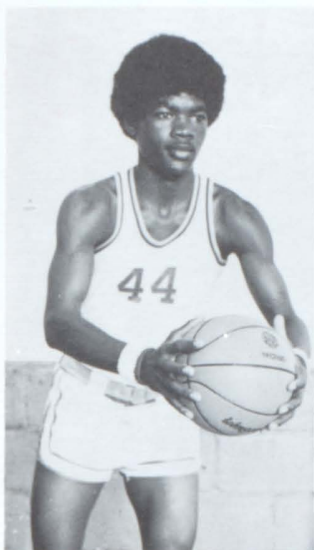

Standing: Leroy Jenkins, Cornell Steward, Alphonso Butler, Roosevelt Bell, and George Warren. Kneeling: Grover Emanuel, Cliff Sheffield, Bob Barzelogna, James Dudley, and Rob Cowart.

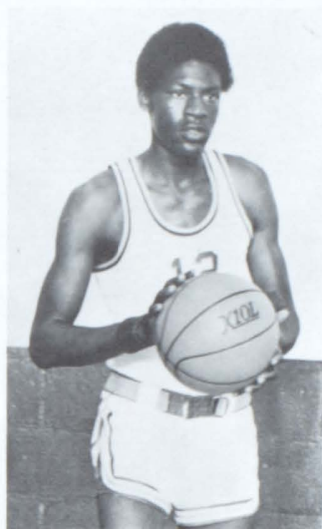

Coach Jack Hardin's Basketball team had an outstanding season. The four seniors on the team - Leroy Jenkins, James Dudley, George Warren, and Cornell Steward - left behind a winning team and a winning spirit. The *mean-green machine* ended the regular season with a record of 22 wins and 2 losses, topping last year—bowing only to Tennessee and Cocoa Beach.

The Bulldogs started out with a big win over Keystone Heights 80-37. The Bulldogs fired up the *mean machine* to beat Father Lopez 98-62. The next three games were pushovers for the fired up Bulldogs as they went on to beat Baldwin 68-22, Taylor 64-36, and Jacksonville Episcopal 83-46. At Christmas time the Bulldogs met Sullivan Central, Tennessee, to suffer their first loss, 76-64. Traveling to Cocoa Beach, the Bulldogs lost their second game to Cocoa Beach 71-43, but the Bulldogs came back on the following night to beat Oatwood 94-59. The Bulldogs showed their power by beating Interlachen 82-47, Florida Deaf 74-38, and Green Cove 70-38. Pushing onward for easy victories over Crescent City 63-51, Ocoee 71-63, and Father Lopez 75-61. The Bulldogs did their own thing by defeating Jacksonville Episcopal 99-38, Keystone 77-38, and Florida Deaf 99-27. To finish off a winning season, the *green machine* beat New Smyrna 71-64, Interlachen 92-51, Baldwin 72-48, and Green Cove 89-77.

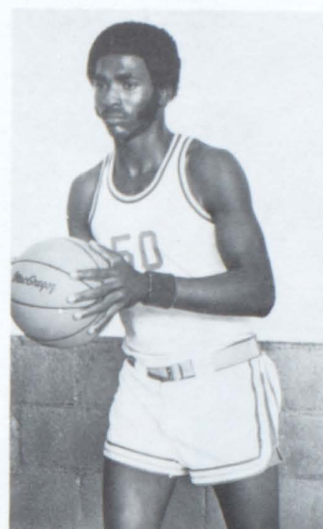

In the District Tournament, the Bulldogs played their best to defeat Father Lopez and advanced to beat Crescent City. In the Regional Tournament, the Bulldogs went out for the kill, but the Hawthorne Hornets proved to be too much for the Bulldogs as they beat us 67-61. Hawthorne went all the way and Bunnell gained third place, which is a great accomplishment. We're proud of our Bulldogs!

Activities

Homecoming 1973

On the eve of the 1973 Homecoming game, the cheerleaders lead football players and fans in a pep rally that was highlighted by the tossing of a Branford buccaneer in the fire by Alfred Carter, Jon Wilder, Tim Mayfield, and Frank Giddens. Spirits ran high as the cheerleaders lead the crowd in some cheers and chants.

A week of busy preparation drew to an end as members of all classes left the rally to go to their floasts to add finishing touches. The sophomores dressed their pirate. The seniors finished their wave. The juniors keep on stuffing chicken wire. The freshmen draped the final streamers on the truck.

All grades had been busy trying to make their float No. 1, so this would be their best year.

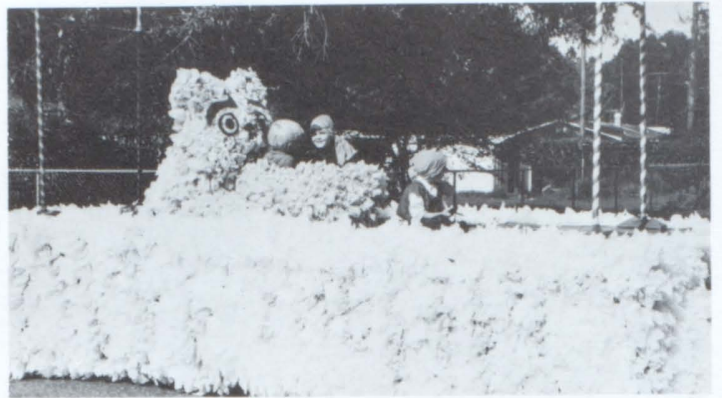

The Parade

The band lead the way as the parade began. The lovely Homecoming Queen candidates rode on cars at the foremost part of the parade. The first candidate to come into sight was Miss Pam Thomas, following her came Miss Robin Laster. Miss Debbi Holdridge came next, she was followed by Miss Jackie Jones. Our last candidate was Miss Roberta Mitchell. All girls are members of the senior class, they were elected to run for the crown by the football players.

7th's theme was "Flush 'Em" ... 8th's theme was "Bite the Bucs" ... Jr. Beta Club car ... 9th's theme was "Slaughter the Bucs" ... Beta Club car ... 10th's theme was "What you see is what they'll get" ... 11th's theme was "Haunt 'Em" ... 12th's theme was "Drown the Bucs" ... FFA truck.

Homecoming Queen

Contestants and Escorts

At 8 p.m. the Homecoming game started bringing the half-time announcements closer. At halftime, Mrs. Pat Brown announced the winners of the float contest. The winners of the Junior High division were 1st place the 9th's float of Slaughter the Bucs, 2nd place, the 8th's float of Bite the Bucs, and 3rd place, 7th's float of Flush 'Em. The winners of the Senior High division were 1st place, 11th's float of Haunt 'Em, 2nd place, 12th's float of Beach the Bucs, and 3rd place, 10th's float of What you see is what they'll get.

As Mrs. Brown announced them the girls and their escorts quietly stepped on the field, Jackie Jones and Leroy Jenkins, Robin Laster and Andrew Jones, Roberta Mitchell and Chuck Cowart, Debbi Holdridge and Frank Bryan, Pam Thomas and David Hollenbach. They waited for Mrs. Brown to make the announcement all students were waiting for.

The girls nervously await the sounding of the buzzer to the end of the first half of football action.

The Coronation

Mrs. Sheila Robertson, Homecoming Queen 1972, walked out onto the field with crown bearer Leslie Taylor, and flower girl Shelley Hunter.

As the spectators waited silently for Mrs. Pat Brown to say the magic name, she told them that the whole school votes on a homecoming queen, and that they vote for beauty, poise, and personality. She announced that our Homecoming Queen 1973 was Miss Debbi Holdridge. A stunned Debbi asked her escort if she had heard the right name. Frank lead her forward to Sheila, who presented her with a bouquet of red carnations and a crown. As flashbulbs popped, the crowd in the stands cheered as Debbi's smile flashed as she walked off the field.

Debbi Holdridge
Homecoming Queen '73 - '74

The Bunnell High Bulldogs lost their first game of the season to Branford on Nov. 9 with a score of 13-12. Bunnell Bulldogs lost their Homecoming game. The Bulldogs started strong with a 57 yard run by Phil Simmons for a touchdown. The try for the extra point failed.

Branford came back in the second quarter with a 44 yard pass by Steve Hatch, who kicked the extra point. He also came back with a 21 yard pass but failed with extra point. At halftime the score was 13-6.

There was no scoring in the third quarter. In the final period, Craig Wilder made the final score, with a one-yard plunge, but the try for two points failed.

Though our team was behind the fans were with them all the way to the final buzzer sounded.

TO THE CLASS OF '74
BUNNELL HIGH SCHOOL
BUNNELL, FLORIDA

You leave high school now to assume stewardship of your individual destinies and that of your country and the world.

Historically, youth's role in the world has been catalytic—forming change through challenging the old, questioning the hackneyed, while bringing on the new with vigor and enthusiasm. This has been done with an idealism and energy that is a wonderful and unique part of the youth dynamic.

Your Bunnell Senior Class is among nearly 3 million young men and women in the United States who will graduate high school in 1974. Certainly, this is a vast foundation for strength, vitality and talent for generating progress.

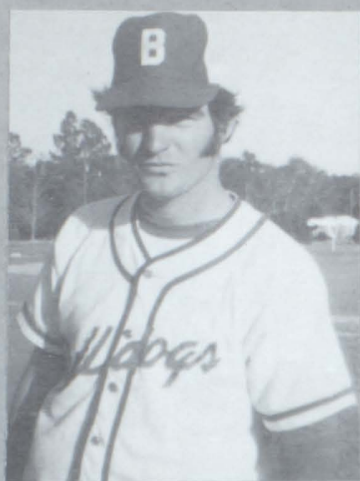

On the occasion of your graduation, we say congratulations for a job well done. And we challenge you to tackle the world and to harness and direct your untapped energies and skills to make it a better place.

Disraeli said, "The youth of a nation are the trustees of posterity."

You hold the keys that unlock the future. Use them well. For you are most precious of our natural resources.

Dr. Norman Young
President and Chairman of the Board
